President's Message

In the past year we have witnessed a reawakening of Illini spirit. Through the medium of the University of Illinois Foundation, alumni in all sections of the country have reaffirmed their faith in Illinois Loyalty.

To my mind, Illini Spirit and Loyalty is one of the University's greatest assets, and perhaps it is so close to some of us that its potentialities have not always been fully appreciated. Wherever I have met with Illini, I have found a deep and abiding faith in Illinois which I assure you is priceless to one in my position.

No group of citizens is more interested in the progress and welfare of a college or university than its alumni. Time and again in the history of our colleges and universities this interest has developed into a lifelong contact between alumni and alma mater with results mutually stimulating and beneficial.

Those of you who are now members of the student body will one day join that band of alumni. May your experiences here have been so enriching that, whether inspired by a sense of loyalty, pride, or obligation, you will wish to repay in some measure by your contribution to Illini Spirit and Loyalty.

A. K. Willard

President, University of Illinois

ORVILLE M. KARRAKER
President, Board of Trustees

To the Students of Illinois

The University of Illinois is an institution of scholarship and research, dedicated to the service of the state and nation. This notable agency of the state would not be possible had it not been for the vision of men of other days and the heritage left by them. A foundation, secure and sound, was thus laid and an institution created devoted to public welfare. The investment made by the state in creating the University of Illinois has proven an excellent one and the dividends have been large.

The great task must be carried on these days, more intensified and perplexing, to the end that the University may make its services effective in a complex civilization.

The administration of the University is in charge of forward looking men and women with the vision of its founders, and the people of the state may view its work with confidence and pride.

In extending its greetings to the students and friends of the University, the Board of Trustees desires the continued cooperation of the state, the students, the alumni and faculty in further advancing this great enterprise in higher education.

The College of Engineering

DEAN MELVIN LORENIUS ENGER

The College of Engineering was formally organized in 1870 to provide for "Courses in Mechanical Science and Art, Civil Engineering, Mining Engineering and Metallurgy, and Architecture and Fine Arts." The first class, which graduated in 1872, contained six members from the College of Engineering.

The Department of Physics was established as an independent department of the College in 1890. In 1892, curricula were added in Electrical Engineering, Municipal and Sanitary Engineering, and Architectural Engineering. Then followed the curricula in Railway Engineering in 1906,

Ceramics and Ceramic Engineering in 1915, General Engineering and Engineering Physics in 1920, Agricultural Engineering and Metallurgical Engineering in 1933.

The Engineering Experiment Station, the first in any engineering college in the United States, was established in 1903. It has published more than three hundred bulletins and circulars on important researches in many fields of engineering science and practice.

M. L. Enger

Melvin Lorenius Enger, Dean of the College of Engineering and Director of the Engineering Experiment Station since 1934, was born May 5, 1881, in Decorah, Iowa. He attended the University of Minnesota and the University of Illinois where he received the Bachelor of Science degree in Civil Engineering in 1906, the professional degree of Civil Engineer in 1911, and the Master of Science degree in 1916. He came to the University as an instructor in Theoretical and Applied Mechanics in 1907 and has since served on the faculty. From 1926 to 1934 he was head of the Department of Theoretical and Applied Mechanics. Dean Enger is a member of the American Society of Civil Engineers, American Water Works Association, American Society for Testing Materials, American Association for the Advancement of Science, Western Society of Engineers, Illinois Society of Engineers, Tau Beta Pi, Sigma Xi, Phi Kappa Phi, Sigma Tau, Chi Epsilon, and Mu San.

DEAN MATTHEW THOMPSON MCCLURE

The College of Liberal Arts and Sciences

The largest college in the University attained its present status in 1913, when the College of Literature and Arts and the College of Sciences were combined to form the College of Liberal Arts and Sciences with the late Kendrick C. Babcock as Dean. Since then the College has endeavored to integrate instruction in both the humanities and sciences.

The College of Liberal Arts and Sciences has two particular functions. First, it enrolls students in specialized and pre-professional curricula; for instance, pre-medical,

pre-law, pre-journalism, chemistry, and chemical engineering. Second, it provides the resources for a "liberal" education. "Liberal" means a program leading to a well-rounded personal development; that is, a program in which the studies emphasize factors that contribute to a general knowledge and interpretation of the forces, tendencies, conflicts, and problems of life, rather than lead to specific individual careers.

Mr. T. McClure

Matthew Thompson McClure, Dean of the College of Liberal Arts and Sciences, was born at Spottsville, Virginia, April 27, 1883. A Bachelor's degree was awarded him at Washington and Lee University in 1904, where he did his undergraduate work, a Master's degree at the University of Virginia in 1907, and a Doctor's degree at Columbia in 1912.

Before coming to Illinois, Mr. McClure was an instructor in Philosophy at Columbia and from 1915 to 1921 a professor of Philosophy at Tulane. He began his career at Illinois in 1921 as Associate Professor in Philosophy. In 1922 he became Professor of Philosophy and in 1926 he was appointed head of that department. The deanship was awarded him in 1934 after serving a year as Acting Dean of the College of Liberal Arts and Sciences. Dean McClure is a member of Phi Beta Kappa, the American Philosophical Association, and other honorary organizations.

The College of Commerce and Business Administration

DEAN CHARLES MANFRED THOMPSON

The idea back of the establishment, on this campus in 1902, of courses in business was to provide an opportunity for young men and women to acquire a working knowledge of certain general principles—those general principles underlying the business world of which they must inevitably be a part. During the years that have intervened, this idea has shaped our policies and directed our efforts in making those policies effective.

The courses offered in this college are primarily fundamental. They deal with underlying concepts rather than

with the application of these concepts to the technique of business administration. Our students, therefore, enter the business world with some notion of basic principles on which they can build substantially and securely, not only to their own advantage but, what is more important, to the advantage of civilization. We stress an understanding of why certain ways should or should not be pursued; the method of pursuit to follow we expect our students to acquire after graduation.

Charles M. Thompson

Charles Manfred Thompson, '09, Dean of the College of Commerce and Business Administration, is an alumnus of the University of Illinois: A.B., '09; A.M., '10; Ph.D., '13. In 1919 he became Professor of Economics and Dean of the College. When the Bureau of Business Research was established in 1921, Dean Thompson was made Director. He holds two honorary degrees, LL.D. from Muskingum College, and D.Litt. from McKendree College. His fraternities are Delta Chi, Phi Beta Kappa, and Beta Gamma Sigma. In March, 1934, the Urbana Association of Commerce conferred on Dean Thompson its Distinguished Citizenship Award for Meritorious Public Service. Dean Thompson served on the Illinois State Educational Commission from 1921 to 1925, and on the Citizens' Traction Settlement Committee of Chicago from 1928 to 1933.

DEAN HERBERT WINDSOR MUMFORD

The College of Agriculture

The College of Agriculture had its beginning in a combined course in agriculture and horticulture. This was one of two courses offered when the University of Illinois began instruction on March 2, 1868, as the Illinois Industrial University. There were only three instructors and fifty men students in the entire institution. Today the College of Agriculture has a staff of approximately 250 and an enrollment of more than 1,350 students in agriculture and home economics.

From its thousands of graduates come leaders in farming and homemaking, in teaching and extension service in agri-

culture and home economics, and in technical positions and public service closely allied to these two fields. Through its Extension Service, farmers, homemakers, and consumers everywhere get the teachings and findings of the University. There is perhaps no better reflection of the College's wide range of service than the fact that some 18,000 people annually attend its conferences, meetings, and short courses.

H. W. Mumford

Herbert Windsor Mumford, Dean of the College of Agriculture, and Director of the Agricultural Experiment Station and the Agricultural Extension Service since 1922, was born in Moscow, Michigan, February 26, 1871. He attended Albion College and then Michigan State College, where he received the Bachelor of Science degree and the honorary degree of Doctor of Agriculture. He served on the faculty of Michigan State College from 1895 to 1901, when he came to the University of Illinois as professor of Animal Husbandry and chief of Animal Husbandry in the Agricultural Experiment Station. Dean Mumford is a member of numerous agricultural and scientific organizations. He received noteworthy recognition while he was a member of the American Study Commission for German Agriculture in 1928 and a member of the Mexican Agricultural Commission in 1930. In addition to being the author of two books on agriculture, he has contributed material to the Cyclopedia Americana and the Cyclopedia of American Agriculture.

The College of Education

DEAN THOMAS ELIOT BENNER

Education is the largest enterprise carried on in the State of Illinois. Public education alone deals with nearly two million children of school age, involves a staff of more than forty-six thousand teachers, utilizes school property which has cost more than a billion dollars, and requires an annual expenditure of almost one hundred fifty million dollars. Through research, teaching, and service the University of Illinois contributes to the preparation and the guidance of the personnel on whom the wise conduct of this enterprise depends.

The College of Education, which is in a sense a liaison office between the public schools and the University, had its origin in 1893 in the influence of Charles de Garmo, Professor of Psychology. In 1900 a Department of Education was set up which became, in 1907, the School of Education and later, in 1918, received its present title, the College of Education. At the same time, the Bureau of Educational Research was established.

Thomas E. Benner

Thomas Eliot Benner, Dean of the College of Education, was born in Danvers, Massachusetts, February 11, 1894. He graduated from Harvard in 1914 (A.B.) and received graduate degrees from the same University in 1916 (A.M.), 1923 (Ed.M.), and 1924 (Ed.D.). His professional experience has included teaching in Maryland and Maine, Public School Administration in Massachusetts, service as Statistician and Editor with the Alabama State Department of Education, the Acting Deanship of the College of Education of the Alabama Polytechnic Institute, the Chancellorship of the University of Puerto Rico, and a Visiting Professorship at Columbia University. Since 1931 he has been Dean of the College of Education at the University of Illinois. He served as a member of a commission to investigate vocational education in Illinois, and as Chairman of the Advisory Committee to the Educational Commission in 1935. He is a member of Phi Delta Kappa and Kappa Delta Pi and holds office in several national professional organizations.

DEAN ALBERT JAMES HARNO

The College of Law

The College of Law of the University of Illinois is one of the charter members of the Association of American Law Schools. When the American Bar Association set its standards bearing on legal education, this college was one of the first group of law schools approved by that Association.

The primary purpose of the College is to train students for the practice of law. This task, as the faculty conceives its responsibility, involves more than the study and learning of legal rules and formulas. The faculty seeks, among its objectives, to impress on the students the value of learning

how to make discriminative use of legal materials, and to inculcate in them an appreciation of the purpose of law in the social order and the necessity of its growth to the end that it will keep pace with changing conditions. This process involves a study of the decisions of the courts; it also includes the stressing of social and economic factors as forces contributing to and influencing legal decisions and trends in the law.

Albert J. Harno

Albert James Harno, Dean of the College of Law, is now serving his eighth year as Provost of the University. He was born January 30, 1889 in Holabird, South Dakota. After his graduation from Dakota Wesleyan University in 1911, Dean Harno went to Yale where the Bachelor of Laws degree, Magna Cum Laude, was conferred upon him in 1914. He practiced law in Los Angeles until 1917, when he went to Topeka, Kansas to become the Dean of Washburn College of Law. Two years later he went to the University of Kansas, where he served as Professor of Law. He came to the University of Illinois in 1921 to fill the position of Professor of Law. He was appointed Dean of his college in 1922.

The College of Fine and Applied Arts

DEAN REXFORD NEWCOMB

Training in the Fine Arts was provided in the original plans for the University and courses of instruction in Art and Architecture were offered early by the institution. Music also made an early appearance; the School of Music was organized in 1897. Training in Landscape Architecture began about twenty-five years ago. Thus there have grown up at the University strong departments offering instruction in each of the major Fine Arts.

For a number of years it was felt that these Fine Arts interests should be brought into closer relationship but this was not possible until 1931 when the College of Fine and Applied Arts was constituted by a grouping of the above-

named departments. To these was added the Bureau of Community Planning in 1934.

The College has nearly seven hundred students enrolled in its twelve professional curricula covering the various branches of the arts. These curricula are so framed that the student obtains as wide a training in liberal studies as is compatible with the laying of firm foundations in the particular art which he proposes to practice.

Rexford Newcomb.

Rexford Newcomb, first Dean of the College of Fine and Applied Arts was born in Independence, Kansas. He received his preliminary college training at the University of Kansas. Following this he studied at Illinois where he obtained the degrees of Bachelor of Science in Architecture and Master of Architecture. Later he studied at the University of Southern California where he received the degree of Master of Arts. His academic studies have been supplemented by wide travel in both Europe and the Orient. For five years Dean Newcomb was Director of the Department of Fine and Applied Arts at Long Beach Polytechnic (California), and for four years Director of Adult Education and Principal of the Long Beach Evening High School. Before returning to Illinois in 1918, he served on the faculties of the University of Southern California and the Agricultural and Mechanical College of Texas. Dean Newcomb has written twelve books concerning the fine arts and several hundred magazine articles.

DEAN ROBERT DANIEL CARMICHAEL

The Graduate School

The principal aim of graduate study is the development of the power and the promotion of the spirit of investigation. The student who pursues an extended course is expected to obtain a wide knowledge of his subject and of related fields of investigation, and also to acquire and begin to use the power of extending the range of what is known.

Scholarships and fellowships, established by the University Board of Trustees, are open to graduate students of exceptional ability and promise. Funds are available from several special sources for the support of additional fellow-

ships, the purpose of which is to promote higher education and to contribute to the extension and diffusion of knowledge. Several important individual research programs are encouraged and helped forward by the aid of resources which have been made available through the Graduate School and the Research Board. Some of these are of very great value in the social process.

R.D. Carmichael

Robert Daniel Carmichael, Dean of the Graduate School, was born in Goodwater, Alabama, March 1, 1879. He was awarded his Bachelor's degree at Lineville College in 1898, and his Doctor of Philosophy degree at Princeton University in 1911. After coming to the University of Illinois in 1915 as Assistant Professor of Mathematics, he became Associate Professor in 1920. From 1929 to 1934 he was head of the Department of Mathematics. In 1933 he was appointed acting Dean of the Graduate School, and a year later he became Dean. He has published several hundred articles on mathematical, philosophical, and scientific subjects, and is the author of several volumes on these subjects. Some of his works have been republished in French translations.

The Library and The Library School

DIRECTOR PHINEAS LAWRENCE WINDSOR

The University Library, through the General Library and its branches, provides books needed by students for class reports, theses, and general reading, and the books and journals needed by the faculty in their study. The Library bookstacks contain more than one million volumes, a collection increasing at the rate of more than 30,000 books a year. About one mile of book shelves is required to hold 30,000 volumes. The bookstack part of the building is full and an addition is sorely needed.

The Library School is a professional school for the training of librarians, and admits only college graduates since

a librarian's first need is a thorough general education. The instruction in the first year in the Library School covers methods and practices commonly followed in libraries; students who complete this year of work are prepared for positions in library service. In the second year, bibliographical, historical, and comparative studies are emphasized.

P. L. Windsor

Phineas Lawrence Windsor, Director of the University Library and the Library School, was born February 21, 1871, at Chenoa, Illinois. In 1895 he was graduated from Northwestern University and shortly afterward studied two years at the New York State Library School at Albany. In 1899, he began his professional work as assistant in the New York State Library, going to the copyright office of the Library of Congress in 1900. In 1903, Mr. Windsor accepted the position of Librarian at the University of Texas, remaining there until 1909, when he came to the University of Illinois, to assume his present position.

A life member of the American Library Association, he has served three terms on the Council of that organization, has twice been president of the Illinois Library Association, and also twice president of the Association of American Library Schools.

DIRECTOR LAWRENCE W. MURPHY

The School of Journalism

Upon completion of two years of college work with a satisfactory record students are admitted to the School of Journalism and permitted to register in one of the professional curricula.

The school offers programs of study leading toward three clearly defined types of work in journalism and related fields. These programs permit concentration on general editorial studies, on specialized practice, and on advertising and publishing.

During the past year two hundred students were admitted to the School. This body of students preparing for journalism means much to public welfare because its influence in later years will extend to millions of readers.

The University has always been interested in journalism. Students were editing a paper under faculty sponsorship before the first commencement exercises were held. The alumni on newspapers and in other forms of publication service number more than one thousand.

The study of journalism was first organized on a credit basis at the University in 1902. In 1927 the School of Journalism was made an independent division.

Lawrence W. Murphy

Lawrence W. Murphy, Director of the School of Journalism, was born in Madison, Wisconsin, October 18, 1895. He is a graduate of the University of Wisconsin and of the University of North Dakota. In 1933 Marquette University conferred on him the honorary degree of Doctor of Letters. Professor Murphy had been a member of the Illinois faculty since 1924. In 1925 he succeeded Frank W. Scott as Director of the Courses in Journalism and in 1927 he became Director of the School of Journalism. Prior to taking up the teaching of journalism Professor Murphy was engaged in newspaper work.

The School of Physical Education

DIRECTOR SEWARD CHARLE STALEY

The School of Physical Education, established in the fall of 1932, includes three departments: Physical Education for Men, Physical Education for Women, and Health Service.

The Department of Physical Education for Men renders three general services, namely, conducting the service courses (required of all students), conducting a professional training curriculum for students majoring in this field, and promoting a program of recreational sports for men.

The Department of Physical Education for Women conducts the service courses in physical education, a profes-

sional training curriculum, a program in intramural sports, and a program in faculty recreation for women.

The Department of Health Service in general gives health examinations to all students, confers with students about health problems, cooperates with the State Board of Health in controlling contagious diseases, regulates sanitary conditions on and about the campus, and conducts courses in sanitation and hygiene for both men and women.

S. C. Staley.

Seward Charle Staley, Director of the School of Physical Education, was born in Sprakers, New York, on August 1, 1893. He secured a Bachelor's degree in Physical Education at Springfield College in 1917; a Master's degree in Hygiene at Clark University in 1920; and a Doctor's degree in Education at the University of Illinois in 1929. Professor Staley served as an athletic director in the Army during 1917 and 1918. In 1920 and 1921 he served as Director of Athletics for the Greek Army in Asia Minor. He joined the staff of the Department of Physical Education at the University of Illinois in 1922, and was made Director of the School of Physical Education in 1937. He is the author of nine books and many articles in the field of physical education. Squash rackets and hiking are his chief sports; collecting books on the history of sport his chief hobby.

DEAN FREDERICK BOGUT NOYES

The College of Dentistry

By the last of November, 1937, all departments of the College of Dentistry will be moved into the new building, which is the second unit of the Medical and Dental Laboratories Building.

The tower will be occupied by the departments of orthodontia, histology and children's clinic. The floors of the main part of the building follow a general plan: the west wing is devoted to departmental undergraduate clinics; the south wing houses lecture and class rooms; the corner section of the building, postgraduate and graduate clinics.

The surgical amphitheatre is directly connected with the surgical floor of the Research Hospital, and will be used

for both general and oral surgery. It is equipped to meet the needs of the most modern developments in both fields.

The general clinic is departmentalized, each department having a floor of its own with a row of individual operating spaces arranged along both sides of each clinic, one facing north, one south. Each operating space is as completely equipped as a dental office.

Frederick Noyes

Frederick Bogut Noyes, Dean of the College of Dentistry, was born in Chicago on August 22, 1872. After graduating from Beloit Academy in 1889 he attended Johns Hopkins University, where he received the degree of Bachelor of Arts in 1893, and Northwestern University where he obtained the degree of Doctor of Dental Surgery in 1895. At that time he began practicing dentistry in Chicago. Continuing his studies he received the diploma of the Angle School of Orthodontia in 1908, and since then has limited his practice to Orthodontia. Northwestern first claimed his services from 1896 to 1913 as professor of Histology. Leaving there he came to the University of Illinois College of Dentistry as Professor of Dental Histology and Orthodontia. He has continued as Professor of Orthodontia since 1921 and succeeded to Deanship of the College in 1926.

The College of Medicine

DEAN DAVID JOHN DAVIS

The College of Medicine opened in 1881 as a proprietary medical school known as "The College of Physicians and Surgeons of Chicago." It first became affiliated with the University of Illinois in 1897, and in 1913 all of its property was transferred to the University.

In two years the University placed all the laboratory branches of the school on a university basis. In 1920 the General Assembly appropriated \$1,000,000 to the Department of Public Welfare and \$300,000 to the University of Illinois for the specific purpose of constructing research and educational hospitals in Chicago. A plan of joint co-operation was immediately drawn up whereby the Admin-

istration of the Hospitals was to be handled by the Department of Public Welfare, while the professional teaching and research work was to be turned over to the University medical staff.

Since the time of its organization, the entrance requirements have steadily been raised. Beginning with the autumn of 1938, three years of college work with high grades are essential for consideration.

David J. Davis

David John Davis, Dean of the College of Medicine, spent many years in study and research before coming to Illinois. He was born in Racine, Wisconsin, on August 10, 1875, and studied first at the Racine Academy. From the University of Wisconsin he received his Bachelor of Science Degree in 1898 and his M.D. degree from Rush Medical College in 1904. In Europe he continued his studies at Vienna and Freiberg, and then returned to the United States to carry out his research work in Chicago at the McCormick Institute for Infectious Diseases. Before coming to Illinois he served as pathologist at St. Luke's Hospital in Chicago. In 1913 he came to the College of Medicine as Professor of Pathology and Bacteriology. He has written several treatises on Bacteriology and is the author of numerous other medical papers. He began serving as Acting Dean in April, 1925, and succeeded to the Deanship in September, 1925.

DEAN WILLIAM BAKER DAY

The College of Pharmacy

On behalf of the College of Pharmacy of the University of Illinois, it is my privilege to extend to the students, the faculty, and the alumni of the University the greetings and good wishes of the students, faculty, and alumni of the College of Pharmacy.

The College was founded in 1859 by a group of Chicago pharmacists who formed an association for the purpose of giving instruction to their apprentices and clerks, and of advancing the practice of pharmacy. It was the first college of this kind west of the Alleghenies. A faculty was secured and instruction begun in the fall of 1859. In 1861 the first class of two students was graduated.

While teaching was the primary object of the College

other functions were developed. Among these was a code of ethics, adopted to promote better pharmaceutical practice and to bring about closer relations between pharmacists and physicians.

The College became a part of the University in May, 1896, and in 1915 the University purchased for the College the property it now occupies on Wood Street between Flournoy and Polk Streets.

William Baker Day, Dean of the College of Pharmacy, is one of the oldest members of the University faculty, having entered his forty-sixth year of service to the College and his forty-second year in the University. He was born in Peru, Illinois, February 15, 1871, and was graduated from the College of Pharmacy in 1892.

In the fall of that year he became an instructor in the College. In 1898 he was made Professor of Histological Botany and then Professor of Botany and Materia Medica in 1913. He served from 1914 to 1919 as Acting Dean and then became Dean.

Dean Day has been active in pharmaceutical organizations and at various times president and general secretary of the American Pharmaceutical Association and a member of its council for two decades. The Philadelphia College of Pharmacy honored him with the degree of Pharm.M. in 1917.

The Division of University Extension

DIRECTOR ROBERT BELL BROWNE

During the past year, more than eleven hundred persons began or continued their college study through the extramural or the correspondence courses of the Division of University Extension; four hundred more received intensive in-service training in short courses or conferences held by the Division; an estimated twelve thousand away from the campus heard lectures by university faculty men and women through the speakers bureau; five hundred high school students obtained systematic training from the preparation for, and participation in speech contests directed by the Speech

Aids Service from the Office of the Division; approximately one quarter million school students from all parts of the state, and from other states, gained instruction from the teaching-motion picture film through the Visual Aids Service of the Division.

A handwritten signature in dark ink, reading "Robert Bell Browne". The signature is fluid and cursive, with the first name being the most prominent.

Robert Bell Browne, Director of the Division of University Extension, was born in Oshkosh, Wisconsin, July 15, 1894. After attending the Southern Illinois State Teachers College he entered the University of Illinois. Because his education was interrupted by his serving in the United States Army, he did not complete his graduation until the summer of 1922. After serving nine years as a high school principal and city school superintendent, he returned to the University of Illinois in 1929 to become an instructor in Education. His advanced degrees of Master of Science and Doctor of Philosophy were conferred by this University. At the time of the inauguration of the Division of University Extension he was appointed its first director. He has been in charge of the Division since that time.

Office of Dean of Women

DEAN MARIA LEONARD

Counseling women students in all of youth's problems fills the working day of the Dean of Women and her staff, Miss Irene Pierson, Assistant Dean of Women and Miss Mildred Fisher, Assistant to the Dean. Seeing that the students are housed as comfortably as possible, that programs are balanced with outside work, that loans are granted to relieve worry, that advice is given in case of home trouble, vocational counseling and problems of personal adjustment—the three thousand women students are sure to find help for any need at the Dean's office, 100 Woman's Building.

Living quarters are inspected and housemothers are expected to keep not only house standards set by the Dean's office, but social and cultural standards as well.

The purpose of the office is to stabilize individual and group life of the women students and to encourage cultural standards of living through the incentive of study and things intellectual.

A cursive signature of Maria Leonard.

Dean Maria Leonard was born in Indianapolis, Indiana, and received her high school education there. After graduation from Butler College, she continued her graduate work in Colorado College from which institution she received her Master of Arts degree. She accepted the position as Dean of Women and Professor of Mathematics at Idaho State Normal in Albion, Idaho. She left Idaho to become Dean of Women and Professor of Mathematics at Coe College in Cedar Rapids, Iowa. Recently she received a Litt.D., from that institution. Since 1923 she has served as Dean of Women at the University of Illinois. In 1924 Dean Leonard founded the national scholastic honorary for freshman women, Alpha Lambda Delta.

IRENE D. PIERSON

DEAN FRED HAROLD TURNER

Office of Dean of Men

The Dean of Men, Fred Harold Turner, was born in Hume, Illinois, on March 22, 1900. He was made assistant to Thomas Arkle Clark, Dean of Men, after graduating from the University of Illinois in 1922. In 1931 he received the degree of Doctor of Philosophy in Education. His thesis may be found in the library, as it is considered one of the most authoritative accounts ever made of the Illinois Industrial University. In 1932 he was awarded the full title of Dean of Men after serving as Acting Dean in the preceding year. In recent years several of his surveys of student life at the University have appeared in current magazines. Dean Turner is very interested in student organizations on the campus, and is a member of both the Illini Board of Control and the Illinois Union Board of Directors. He is secretary of the National Association of Deans and Advisers of Men, and Educational Adviser to the National Interfraternity Conference.

The office of the Dean of Men is the general service office for the men of the University. Its functions are non-academic and under University Statutes, "It shall be advisory and not regulatory in character." The staff members are available day or night to any student who is in need of assistance or advice. Some of the major functions of the office include work with student employment, housing, extra-curricular activities, loans, scholarships, social events, fraternities, and organization and group activities; however, the main work of the staff is with individual students and their problems.

The staff members are:

Gerald W. Peck, Assistant Dean of Men in Charge of Student Employment, whose office is at 236 Student Center, Charles R. Frederick, Assistant Dean of Men in Charge of Student Activities, Golden A. McConnell, Assistant to the Dean of Men for Freshmen and Foreign Students, and Fred H. Turner, Dean of Men, whose offices are at 152 Administration Building.

ATHLETIC ADMINISTRATION

WENDELL S. WILSON
Director of Athletics

The celebration of the 25th anniversary of the coaching service of Robert C. Zuppke to the University was a highlight of the present school-year. Richly-deserved tributes were paid to Coach Zuppke, culminating in a dinner by the Chicago Illini club which was the largest and most successful gathering of Illinois men and women in our history.

It is indeed a graceful gesture to dedicate this ILLIO to Coach Zuppke, for which I want to express the appreciation of the Athletic Association.

The close of the last school-year found our basketball, baseball, and wrestling teams ranking as champions. Our teams are making good records this year.

That a fine recreational facility may be assured to our students, the Association has expended more than \$30,000 to repair the ice-rink. In order to widen the opportunity for competition on varsity teams, the Association has introduced ice hockey as an inter-collegiate sport and believes there is a bright future for it.

As its funds permit, the Association will continue to improve the recreational and competitive opportunities for all the students.

The Association bespeaks the continued loyalty of the members of the class of 1938 when they soon join the ranks of Illinois alumni.

Conference Medal Winner

The Conference Medal, awarded annually to the Illinois athlete judged best to have combined superior athletic prowess with high scholarship, was awarded in 1937 to Harry Austin Combes, three times a basketball letterman. In his three years of competition, Combes scored over 350 points for Illinois.

A member of Ma-Wan-Da, Sachem, Tomahawk, Delta Theta Epsilon, and the Tribe of Illini, Combes was honored also with the Delta Theta Epsilon award annually presented to the senior in the School of Physical Education voted most likely to succeed. At present he is a member of the Champaign High School coaching staff.

HARRY AUSTIN COMBES

Most Valuable Player

By virtue of his excellent kicking, leadership, and defensive work, John Rudolph Berner was selected by his teammates to receive the Most Valuable Player Award. After earning two letters as a tackle, he had been found qualified as a quarterback and shifted to that position. In the new position he starred more than ever, being lauded extravagantly in the metropolitan press for his ability to outkick his opponents.

In addition, the forced retirement of Lowell Spurgeon early in the season left Berner acting captain as well as signal caller for several of the most important games of the season, in which his leadership won widespread praise.

HERBERT R. FISHER
Senior Cheerleader

Cheerleaders

One of the greatest aids at the University of Illinois in making our intercollegiate rivalries friendly ones and keeping up the Illinois code of sportsmanship has been our organized cheerleading. Each year one senior, two juniors, and several sophomores are chosen by the athletic council, not only to lead cheers at games but help organize rallies and preside over the homecoming bonfire.

This year new ideas evolved, one of them resulting in an enlargement of the Block I, with colored cards used in intricate formations for the first time. This solid cheering section of 1250 R. O. T. C. men helped immeasurably in enlivening the crowd's enthusiasm. In order to foster college spirit and give the football fans a show, an impressive Big Ten pageant was devised. Before each game, the Big Ten flags were raised by comely coeds representing the universities of the Big Ten, to the accompaniment of our famed football band. Some particularly stirring pep meetings were carried out, the greatest of which was the one preceding the Notre Dame game. Broadcasted over WGN and the Mutual Broadcasting System by Quin Ryan, it brought millions in contact with our university spirit to the great credit of the cheerleaders.

Varsity Football

ROBERT C. ZUPPKE
Coach

All in all, considering its comparative inexperience, we have reason to be proud of the Illinois football team of 1937. It should be remembered that many of our players were either sophomores or had not had varsity playing experience of any extent.

High spots of the season were the Notre Dame game, in which the Illini tied a veteran Irish team, and our victory over Northwestern, two feats which were unexpected by the critics.

The loss of Captain Lowell Spurgeon, who was obliged to withdraw on account of the recurrence of an old injury,

was a severe blow to our team. Spurgeon's early performances gave promise that he would be one of the outstanding backs of the nation. He was a courageous player and a fine all-around leader. Jack Berner served as acting captain and was voted the most valuable player.

May I add a personal note: I want to thank the students for their part in what was done and said in connection with the 25th anniversary of my coaching at Illinois.

End

A valiant Illinois team gave proof of Coach Bob Zuppke's genius by battling Notre Dame to a scoreless tie in Memorial Stadium before a crowd of 45,000.

The Illinois defense held the strong Irish team powerless, and the kicking of Jack Berner kept them well in their own territory on all but a few occasions. On two of these punts the Illini ends tackled the Irish receiver so viciously that he fumbled, Illini ball hawks recovering.

The Inspired Illini eleven, led by Captain Lowell Surgeon, carried the fight to the Irish. Howie Carson found openings time after time, and twice an Illinois threat died when attempted field goals failed. Notre Dame's backfield could gain little through a stone-wall line backed up by Jim McDonald and Berner.

An alert Illini secondary dashed Notre Dame's hope of a last minute victory via the air by completely bottling up Irish pass-receivers. The game, a moral victory for Illinois, was one of the first major upsets of the 1937 football season.

Indiana 13 Illinois 6

Indiana's powerful team, led by fullback Corby Davis, showed the visiting Illini and 17,000 spectators an unbeatable offensive as a treat for the Indiana Homecoming crowd.

Early in the first quarter, after an exchange of punts, Indiana passed and crashed her way through to the Illinois nine yard line, from which Fowler passed to Filchok in the end zone for the first score of the game. The Illini tied the score at 6 to 6 near the end of the first half, Bo Burris scoring, but Jim Hodges' kick was blocked. Again in the last quarter Indiana broke through, Davis himself, taking the ball over from the four yard line. Miller's placement was good, making the score 13-6. A second Illini rally, paced by Howie Carson's line smashes, was stopped only by the gun.

Though Jack Berner generally outkicked the Hoosiers, Davis regained the lost territory almost at will. Lowell Spurgeon turned in a creditable performance in what turned out to be his last game for Illinois.

Michigan 7 Illinois 6

Michigan invaded the Illini homecoming camp and walked off with a victory which was hard for the team to take. On the first play of the game Barclay fumbled after returning the kickoff, and Wehrli recovered for the Illini. A pass made it first down on the 19 yard line. Three plays failed, and Berner's place kick was blocked and recovered by Michigan. Two plays later Reeder recovered the second Wolverine fumble on the 23 yard line, but Michigan took the ball on downs when the Illini failed to gain.

After outplaying the wolves in the first half, Illinois came back in the third quarter to score the first touchdown on a 69 yard march led by Zimmerman and Bennis; the kick failed. Soon after the Illini score, Trosko dropped back to his 50 yard line and tossed a 40 yard pass over the heads of the Illini secondary for the Michigan touchdown and then proceeded to kick the extra point. It was the fifth consecutive year that a Michigan-Illinois game has been won on a place kick.

Illinois 6 Northwestern 0

Rising to inspired heights, a true fighting Illini team whipped the Wildcats of Northwestern in the Purple Homecoming game. The Orange and Blue gave hint of the eventual outcome in the second quarter when they fought their way to the Wildcats' two yard mark. Here they met a stubborn defense that was not yet ready to yield.

The Illinois touchdown occurred in the final period. On two intended pass plays Northwestern lost 27 yards. Cy Mazeika, the spearhead of the 52 yard touchdown drive, then received Jefferson's punt on his 30 yard stripe and returned it to mid-field. After two running plays, a pass, Wardley to Castelo, made it first down on the 35 yard line. Wardley in two tries took the ball to the 17 yard mark, and Mazeika carried on to the 4, where Wardley and then Berner hit the Wildcat line, Berner plunging over for the winning touchdown.

Northwestern took to the air in a last desperate attempt to stave off defeat, but the game ended a few plays after McDonald had intercepted a last minute pass.

The Illinois defense which had functioned so well against Northwestern seemed powerless to check the victory march of Ohio State. The first Buckeye score came in the opening minutes of play on a pass which McDonald received on the 30 yard line and outstepped the Illini secondary to cross the goal. Before the half ended a barrage of Illinois passes carried the Illini to the Ohio State 20 yard line, but this advance ended when Miller intercepted Wardley's pass, and never again did the Illini threaten.

In the third quarter Kabealo intercepted an Illinois aerial on his 35 yard line and raced to the Illini 38 yard marker. A series of line plunges placed the ball on the one foot line, Nardi then scoring. The final touchdown came as the result of a pass interference in the fourth quarter. The ball was thrown by Kabealo and intended for McDonald who was ready to receive it on the one yard line. Interference was called and on the next play Nardi smashed over for the score.

BELL
End

Illinois 21 Chicago 0

In their final game the Orange and Blue triumphed over Chicago before a Dad's Day crowd which had braved the elements to watch the Illini in action. Illinois was unquestionably superior, for only once in the first three quarters was Chicago able to pass its 35 yard line.

At the start of the third period a completed pass and an end run by Mazeika placed the ball on the 1 yard line, and on the next play Berner smashed through for the touchdown. Soon afterwards Zimmerman passed to Mazeika, and Mazeika lateralled to Reeder who crashed the remaining 12 yards down the sidelines for the second score. Zimmerman intercepted a pass in mid-field near the end of the period and ran it back to his 35 yard line. Three plays later he cut around end and, with the aid of some fine blocking and elusive running, crossed the goal line for the third tally of the afternoon.

In the fourth period the Maroons pushed to the Illinois 9 yard line but were unable to pierce the Illini defense.

DOUGLAS R. MILLS
Coach

The high spots of the Illinois basketball season were undoubtedly the victories over St. John's in Madison Square Garden, New York, and over Notre Dame and Purdue at home.

To win in New York before approximately 17,000 persons, on the first appearance in the east by an Illinois team, was gratifying to players and alumni. Evidence of the impression created by the Illini is the invitation to return to the Garden next season. Defeat by Temple at Philadelphia followed the New York game but was probably to be expected.

Illinois triumphed over Notre Dame during the holidays in 1937. Before that defeat the Irish had won 19 straight games when they lost to the Illini in an overtime game.

Purdue, Big Ten champion, lost only two conference games, one to Illinois.

With all of last season's regulars except Captain Boudreau graduated, it was hardly to be expected that Illinois would be a contender for the championship. However, it is probable that the team would have ranked higher had it not been for various misfortunes. Wardley, regular guard, was lost by an injury in the Purdue game. Captain Boudreau became ineligible by a ruling of the Big Ten faculty board.

Nevertheless the players retained their spirit and courage. They staged a fine comeback against Michigan, scoring eight points in 2 minutes, 17 seconds to tie the Wolverines then win in an overtime.

Pick Dehner, center, finished third in Big Ten scoring, with 147 points, the best modern scoring record in Illinois history.

HAPAC, Forward

At times during the season the 1937-38 Illini basketball team proved itself to be one of the best teams in the conference, but the final game found Illinois in a tie for 8th place in the Big Ten. The Orange and Blue started off the year in fine style by decisive victories over Carroll, Augustana, and Washington. Then, journeying to Madison Square Garden, they followed up with the 4th win of the year. Meeting a powerful St. John's team the Illini captivated the 17,000 assembled basketball fans with lightning-fast play that had the easterners backed into the corner most of the game. Captain Louis Boudreau lived up to advance publicity by his leadership and adept ball-handling. Pick Dehner, lanky Illini center, proved unstoppable as he piled up a total of 16 points to lead his team in scoring. The final score was the largest of the year for the Illini, 60 to 45.

From New York the victorious Illini travelled to Philadelphia for their first taste of defeat, losing to Temple, 51 to 38. The towering Temple team averaged 6 inches a man taller than the Illinois quintet, and the Illini could not overcome this handicap. Illini passes encountered Temple legs and arms, and the fast-break refused to function. On their return from the East the Orange and Blue engaged a revengeful Irish five in a thrilling battle which at the end of the regular playing period was tied at 30 all, but

LANATER, Guard

NISBET, *Guard*

Varsity Basketball

the Illini fought their way to a 33 to 32 win against the Notre Dame squad which boasted two All-Americans. This win broke a 19 game winning streak for the Irish who had not been beaten in a year since the Illini last whipped them. The heroes of the overtime were Boudreau and Dehner. Boudreau sank a long shot and Dehner a free throw while the Irish frantically tried for a score. These two men also tied for high point honors with 13 points apiece.

In the first Big Ten game at Indiana the Orange and Blue succumbed to the Hoosiers in a furious, hard-fought game that saw the score deadlocked 44 to 44 at the end of the game. Weakening in the overtime, however, the Illini dropped the contest 51 to 46, and several days later Michigan dealt Illinois its second Big Ten loss, 45 to 37. Captain Townsend of the Michigan five led his team perfectly with accurate passing and fancy shooting. After two set backs away from home the Illini returned to their home floor in a mood that boded ill for their next opponents. Purdue, the future conference champion, was held to 43 points while Illinois collected 51 for their first Big Ten victory. Until they met up with the Illini, the Boilermakers had been undefeated. A capacity crowd witnessed the hard-fought contest in which Captain Boudreau and every competing Illini

DEHNER, *Center*

HANDLON, *Guard*

DAVIES, *Guard*

Varsity Basketball

played the ball game of his life against a team favored to win. Dehner again accounted for the greatest number of individual points, 18, and Harry Lasater who replaced Dehner midway in the game swished through two baskets just in time to restore confidence to the fast-breaking Illini team. At the half the Illini led by 16 points.

For their second win the Illini whipped Chicago 51 to 34. Dehner led the scoring by counting 29 points which tied the conference scoring record. After tying the game at 16 all at the half the Illini dropped the next contest to Minnesota, 41 to 29, and then journeyed to Columbus only to bow to Ohio State, 46 to 26.

The exam period spelled disaster to the team. Dehner, the Big Ten's leading scorer, was declared scholastically ineligible, and Captain Boudreau was suspended for holding a verbal contract with the Cleveland Indians' baseball team. Including Jay Wardley who had been hurt in the Purdue game, Coach Mills had lost three of his five regulars.

Crippled badly by these events, the Illini were content to let Purdue hold the ball for 15 of the last 20 minutes of the return game at Lafayette and thus prevent Young from endangering Dehner's scoring lead. Dehner passed a special exam in time to make the trip to Minnesota and lead his team in a second half rally which fell just short. The final gun found the Gophers victorious by a 28 to 23 score.

PHILLIPS, *Forward*

BENNIS, *Guard*

WARD, Guard

Varsity Basketball

Illinois cheered its supporters by whipping a strong Ohio State team 42 to 34 in the Huff Gymnasium. Dehner and Bill Hapac led the scoring with 12 points each. Tom Nisbet, acting captain in place of Boudreau, inspired the team with his leadership and ball-handling ability. Taking an early lead the Illini started in to win and were never headed.

The following week Chicago upset the Illini, but Illinois came back in the next game to rally sensationally and to snatch a sure win from the hands of a strong Michigan five. With 2½ minutes to play and the score 30 to 22 against them, the never-say-die Illini quintet, led by Hapac, scored 8 points in rapid succession to tie the score and then went on in the overtime to score 6 more and win by a score of 36 to 32. In their final appearance the Illini lost a hard battle to Indiana by a score of 45 to 35. Andres, Indiana's sharp-shooting guard, accounted for 30 of the Hoosier's points by himself. His total of 30 points established a new Big Ten scoring record. The game was much closer than the score would indicate, and the Illini showed the spirit which had been in evidence in all their games by putting up a good fight and playing the game to the end, staging rally after rally which might have succeeded but for Andres' shooting ability.

TRACK

HARRY E. GAINES
Captain

Varsity Track

LEO T. JOHNSON
Coach

Moving along without balance, a factor so essential in a top rank track team, the University of Illinois cindermen won one and made a creditable showing in three other dual meets and finished their indoor season with sixth place in the Big Ten conclave.

The Big Ten meet, held March 11 and 12 in Chicago, saw the Illini pile up 16 points to finish only four and one-third points out of third place in a bunched field. A third place by a mile relay team of Capt. Harry Gaines, Burt Downs, Willmur McCown, and Les Evans, who hold the Illinois indoor mark for this event, was the outstanding feat of the meet from an Illini view point.

Dean Frary and George Gragg with a second and a fifth in the shot put; Bill Lehmann with a third in the dash; Jack Robinson with a third in the high hurdles; and Bob Diefenthaler with a tie for third in the high jump accounted for the other Illinois tallies. Jack Robinson, defending high hurdle champion, was nosed out by inches, in his third in 8.65 seconds being faster than his winning time last year.

The Illini opened their season with a 52½ to 51½ victory over Chicago in the Armory. Gaines turned in a double triumph with first places in the 880 and mile and anchored the mile relay team to victory.

Next Notre Dame, termed by many as the greatest Irish track team of all time, was encountered at South Bend, the Illini losing, 80 to 24. Robinson's double hurdle victory and a 6 foot, 4 inch leap by Diefenthaler were Illinois' high points in defeat.

Back in home territory again, Illinois met powerful teams from Ohio State and Indiana on successive Saturdays, losing to the Buckeyes, 53 to 42 and to the Hoosiers, 55 to 38.

The high spot of indoor track activity was the Illinois Relay Carnival, attracting over 400 contestants from 34 schools and establishing one world record and seven new Carnival records.

GAINES, *Distance*

Varsity Track

In their initial start of the outdoor season, the Orange and Blue cindermen, led by Grieve and Brunton, triumphed over Illinois Wesleyan by a score of 79-47. The Illini captured eight of the fourteen possible firsts as well as scoring slams in both hurdle events and first and second places in the 440-yard dash, high jump, and broad jump. Grieve ran the century in :09.6 to annex a first place, and Brunton leaped 23 feet 8 inches for a win in the broad jump. Diefenthaler in the high jump gave the Illini another 5 points when he cleared 6 feet 3 inches.

At the famed Drake relays Grieve, Robinson, and the shuttle relay team composed of Captain Cullinan, Robinson, Brunton, and Layman put the Illini in the scoring column. Grieve, running in a driving rain, won the hundred yard dash while Robinson garnered a third in the 120-high hurdles. The shuttle relay team successfully defended their championship, winning that event by fourteen yards over their nearest rival.

DIEFENTHALER, *High-jump*

GLOSECKI, *Distance*

ROBINSON, Hurdles

Varsity Track

Journeying to Lafayette, the Illini smothered a weak Purdue team, 85-46. The trackmen dominated the field events, winning a clear first place in all but one of them, the pole vault, in which they tied for first. Grieve led the field in the 100 and 220-yard dashes closely followed by Ashley. Rudolph hurled the javelin 192 feet 8 inches, and Bruder put the shot 47 feet 6 $\frac{1}{2}$ inches for two additional firsts.

At Wisconsin the Illini incurred their first dual meet loss of the outdoor season. In a hotly contested battle in which Illinois led 46 $\frac{1}{2}$ -43 $\frac{1}{2}$ at the end of nine events, Wisconsin finally pulled ahead to win 66 $\frac{1}{2}$ -64 $\frac{1}{2}$. Grieve continued his winning streak in the 100 and 200-yard dashes, Robinson gained a first in the high and second in the low hurdles, and Brunton picked up two thirds in the hurdle races.

The Illini sustained another loss on their home track interscholastics week end. The Wolverines piled up a 92-39

ORLOVICH, 440

DOWNS, Distance

WEDDING, *Dashes*

Varsity Track

score against the Orange and Blue. Stoller of Michigan nosed out Grieve in the 100, and Ashley pulled a surprise when he won the 220-yard dash from Grieve. The Illini slammed the high jump which was won by Spurgeon.

Illinois placed fourth in the Big Ten meet. Grieve came in second in the 100 and fourth in the 220. Diefenthaler leaped to a third place in the high-jump, and Rudolph placed third in the javelin. Frary added more points to the total when he secured a tie for fourth in the shot and third in the discus. By placing third or better in this meet these men won the right to represent the Big Ten in the first of a series of dual meets against Pacific coast stars at Los Angeles.

To inaugurate Coach Leo Johnson's first season as coach of the Illini, Captain Harry Gaines led his team to a one point victory over Chicago in the first indoor meet of the season by winning the 880 and tying with Mies for first in the mile. His time in the 880 established a new meet record of 1:59.3. The score of the meet was 52½ to 51½.

KELLER, Pole-vault

At South Bend the trackmen were crushed, 80 to 24, by a strong Notre Dame squad. Robinson provided a bright spot in the meet by winning the high-hurdles in record time for the Illini. He also won the low-hurdles.

Illinois sustained its second indoor defeat from Ohio State 53 to 42. With the half-mile run and mile relay yet to go the Illini led by one point but the visitors captured both events to win 53-42.

Weakness in the distance events handicapped the Illini greatly in the meet with Indiana's powerful team, and the tracksters lost $55\frac{2}{3}$ to $38\frac{1}{3}$. Wedding and Lehmann finished first and second in one of the fastest 60-yard races of the season.

In the Big Ten meet at Chicago Diefenthaler tied for third in the high-jump, Lehmann placed 3rd in the 60-yard dash, and Frary heaved the shot to a second place. The Illinois mile relay team ran one of their best races of the year to finish third, giving Illinois 16 points for the meet, which was captured by Michigan.

Illinois Relay Carnival

Records fell as the famous Illinois Relay Carnival was revived this year for the first time since 1931. One world record was broken, another tied, and five meet records fell before the field of over 400 athletes gathered to compete in one of the biggest meets of the American indoor season.

Indiana captured the university medley relay title with a world record breaking performance of 10:14. Another Indiana relay team established a new carnival record in the two mile university relay with the time of 7:49.5.

Geddon of Michigan skimmed over the 75 yard high hurdles in 9 seconds to equal the indoor world record set by Sentman of Illinois in 1931. Other carnival records went to Ohio State's one mile University relay team and Michigan's shuttle hurdles relay team.

Albritton of Ohio State and Allen of Michigan cleared the high jump bar at 6' 5 $\frac{3}{8}$ " to finish in a tie for first place. In the all-around competition McLane of Southeastern Missouri Teacher's College was first closely followed by Hayward of Grinnell and Brunton of Illinois.

Varsity Baseball

WALTER H. ROETTGER
Coach

Facing the 1937 campaign without the services of seven regulars of the 1936 team, the Illini baseball prospects at the outset were somewhat uncertain, but capable replacements developed quickly and it was soon apparent that Illinois again would be represented by a good team.

Ray Poat and Meyers Schuckman, sophomores, came fast to help Captain Swanson with the pitching. Tom McConnell, aggressive sophomore, stepped into the catching spot, while Louie Boudreau, a brilliant performer all year, Augie Sisco, and Irish Callahan combined with Murray Franklin, a dependable veteran, to form a strong infield. Freddie Reinhart, Vic Hinze and Wib Henry proved a capable veteran outfield, with Eddie Haefler always ready when needed. John MacDonald, Frank Nickels, and Ernie Cavallo were valuable reserves.

Taking the 5-1 defeat by Ohio State in the season's opener as a challenge, the team won all nine remaining games,

which brought them the championship-honors that the two preceding teams had barely missed.

It would be unfair to attribute most of the credit for the success of the team to any one player or position, for it was a combination of timely hitting, excellent defensive play, sterling pitching and catching, together with a fine morale that won for Illinois. It was a fine group to coach.

Graduating from this team are Swanson, Franklin, Sisco, Henry, Reinhart, Hinze, Nickels, and MacDonald—men who can well be proud of their three year record of 26 victories and only six losses in conference competition.

Varsity Baseball

Eight letter men and several promising sophomores reporting for practice formed a nucleus around which Coach Roettger built the 1937 Illinois baseball team. Bad weather hampered training, but the Illini got into the swing of things by winning non-conference games from Bradley, Illinois College, and Illinois Wesleyan.

In the first Big Ten game against Ohio State, Illinois came out on the short end of a 5-1 score. Revenge came the next day when Ray Poat, a sophomore from Chicago, held Ohio to two hits as the diamond-men won 3-1.

Poat followed up this performance by shutting out Chicago, 7-0, three days later. Again the sophomore pitching ace held his opponents to two hits. Franklin's home run with three on base gave the Illini a comfortable lead.

Purdue and Michigan followed Chicago, going down to

SWANSON, *Pitcher*

Varsity Baseball

defeat before the inspired Illini nine, who had their eyes set on a Big Ten title. The Purdue tilt saw Louis Boudreau, another sophomore star, on base for his sixth consecutive time. The Illini collected nine hits while the Boilermakers committed six errors, providing no little comedy for the spectators. In the Michigan game the Illini, trailing by three runs, went ahead in the fifth by virtue of Reinhart's home run and then proceeded to win 9-3. The Wolverines, defending champions, were the fourth straight Big Ten team to succumb to the Orange and Blue.

Captain Hale Swanson pitched his team to victory in the return game with Chicago. With the score tied 3-3 in the seventh, Vic Hinze hit a home run, providing the victory margin.

The Illini pulled into second place in the Big Ten by

McCONNELL, Catcher

SISCO, Shortstop

POAT, Pitcher

NICKELS, Catcher

Varsity Baseball

whipping Michigan 9-0 before an interscholastic crowd of 4,723; and when Chicago defeated the previously unbeaten Indiana team, Illinois moved into the lead in the conference race, one-half game ahead of Indiana.

The Illini suffered an unexpected loss in the Wisconsin game when Poat pulled a muscle in his right arm. This put him out for the season and left the main pitching burden for the remaining games on the capable shoulders of Captain Swanson. Schuckman finished out the Wisconsin game in fine style as the Illini won 4-3.

In the next game of the Wisconsin series Swanson pitched a 5-3 victory. The team played errorless ball in a colorful game in which Illinois was behind 1-0 until the sixth inning. In this inning a barrage of five hits netted four runs. The game was one of the toughest of the season and the Illini

SCHUCKMAN, Pitcher

CAVALLO, Second Base

MCDONALD, Right Field

SAINATI, Pitcher

Varsity Baseball

were forced to fight hard for every run. Swanson was the only Illinois batter to get two hits.

The 1937 baseball season was climaxed by a thrilling 3-2 victory over Northwestern. The Wildcats, with everything to gain and nothing to lose, almost tumbled the Illini from their championship perch. Northwestern led 1-0 in the first inning, but Illinois tied the score. Again the Purple scored, making it 2-1. Nickels, pinch-hitting in the eighth, drove in the tying run; and Franklin, playing his last game for Illinois, hit a clean single to left, scoring Reinhart with the winning run in the ninth inning. The Illini collected nine hits off Kaufman, Purple pitcher, who hurled a great game. Four of these hits came in the eighth and ninth innings.

This gave Illinois a record of nine victories and one defeat and undisputed possession of the Big Ten title.

OTHER VARSITY SPORTS

JOHN J. GINAY
Captain

HAROLD E. KENNEY
Coach

Varsity Wrestling

After plenty of hard work had largely erased the losses occasioned by graduation, Coach Hek Kenney had a fairly strong 1937 wrestling squad to enter upon one of the toughest seasons he had ever faced. Capable men were not wanting in any bracket, and most of the positions on the squad were hotly contested, with the exception of the 126 pound spot, where Big Ten Champion Al Sapora, reigned. Dave Helman, Chuck Mutter, and Frank Battaglia were the chief sources of Illinois' strength in the higher weight brackets.

The Orange and Blue took Illinois State Normal University into camp, 26-8, beat a dangerous Cornell squad, 19-9, nosed out Ohio State, 14-12, and whipped Iowa, 24-6. Oklahoma A. & M., perennial national champions, over-

whelmed the Illini, 27-3, Al Sapora winning the only bout of the day; while Indiana, Kenney's nemesis, won by a 20-6 score. On the other hand Illinois handed a decisive and very satisfying defeat to Kansas State, standouts of the "Big Six," 18½-7½, and ran away completely from Iowa in a match looked forward to as one of the high-lights of the season. The only upset scored against the Kenneymen was an early-season defeat at the hands of Iowa State, by a score of 18½-7½.

In the conference meet at Evanston, Captain John Ginay and Archie Deutschmann took top honors at 165 and 135 pounds respectively, and Al Sapora annexed a second in defending his crown in the 126 pound bracket, the team placing a close third behind Michigan and Indiana.

HARTLEY D. PRICE
Coach

ROBERT W. EDWARDS
Captain

Varsity Gymnastics

The varsity gym squad, considerably weakened by graduation, was capably rejuvenated by a group of promising sophomores and by the great improvement of the juniors and seniors. With good material at hand Coach Hartley Price, back from a year's leave of absence, built up a strong team with the aid of Alpha Jennings, temporary coach during last year, and had a highly successful season in which Captain Bob Edwards and Ed Hughes led the upperclassmen while sensational Joe Giallombardo, former National A.A.U. champion, was the stand-out sophomore.

After overwhelming the Berwyn Sokol Club, Berwyn Junior College, and George Williams College in preliminary meets, the Illini opened their conference season against the Gophers and were defeated, 402½-372. Thus sent off to a bad start, the team dropped a meet to Chicago, 435-

387½, as a run of bad luck hit Giallombardo and Edwards, and they were disqualified in one event due to falls.

Over-zealous practice in preparation for a return meet injured several Illinois stars and led to a greater Minnesota victory than in the first meet, the score being 424-359. The Illini then returned to form to take Iowa into camp, 441-371½, and to come from behind to avenge a previous defeat by Chicago, winning 565-555.

In the Big Ten meet Joe Giallombardo starred, winning the all-around championship and taking first place in tumbling and third on the high horse. Ed Hughes' tie for second in the flying rings event was the only other Illini score, and so the team came out in second place behind a powerful and well-balanced Minnesota aggregation.

NORMAN B. LEWIS
Captain

EDWIN J. MANLEY
Coach

Varsity Swimming

A confident and very promising Illini swimming squad began this year's season under Coach Ed Manley, favored to show great strength in Big Ten competition. Before this well-balanced team had a chance to show its mettle in a single meet, mid-year examinations so completely wrecked the squad that Coach Manley had to be grateful for a record of only one win in six meets and a sixth place in the conference. There was a total of eight men ineligible for competition, including all of the first-string free-stylers and breast-strokers, and recurring ill-health or accident kept John Varble and Bob Cutter out of the regular starting lineup.

George Lowe starred amid the team's defeats by Ohio State, 60-24, by Kenyon, 52-23, and by Iowa, 50-34. The sole

Illinois win was a 48-36 victory at Purdue, the 17th consecutive Orange and Blue victory over the Boilermaker swimmers. Against Northwestern, the Illini suffered a relapse, losing 52-32, as Lowe continued to account for most of Illinois' points. The Maroons next scored an upset victory over the hapless Manley men, the final score being: Chicago, 47; Illinois, 37. Lowe continued to show his spray to the conference in the 220 and 440 yard free-style events.

The Illini came to the conference meet without much prospect of placing high, and George Lowe was the only Illinois man to qualify; however, the seven points he scored with a second in the 440 and a third in the 220 brought the Orange and Blue sixth place.

JOHN J. BROUK
Captain

Varsity Water Polo

Illinois' water polo squad, like the swimming squad, showed considerable power in pre-season tryouts, losing only by a 6-5 score in an overtime game to a heavily favored St. Louis Y.M.C.A. team.

In the first conference game, the Orange and Blue turned on so much power against Ohio State that the score stood at 9-2 in their favor when the game was called by consent of the Buckeyes. Next the Manleymen were handed a free victory as Iowa forfeited to them a week later. At this point, however, the tide turned, and an under-rated Purdue team, after holding the Illini to one tally until the closing minutes of the game, suddenly pushed through two goals in a rally that spelled victory for the Boilermakers. A week

later the Illini made a hard but fruitless fight to get back in the win column, but were obliged to yield, 3-1, to a strong Northwestern team, whose defense was all but impenetrable.

In the last meet of the season against the champion Chicago team, the Illini were unable to regain the title which they lost to the Maroons the year before, bowing to the veteran Chicago tank-men by a 6-2 score.

Though the water polo season was not as successful as those in previous years, nevertheless, the team's standing of two victories and three defeats in conference competition, was satisfactory in view of the fact that Coach Edwin J. Manley was obliged to rearrange his lineup due to the loss of several men by ineligibility and illness.

Varsity Fencing

The Illinois fencing squad, after a season of four wins and four defeats in dual meets, wound up the year by finishing a close second in the conference meet, trailing Chicago, last year's champions, by only $4\frac{1}{2}$ points.

In the first meet of the season against Purdue, the Illini lost, 9-8, as the under-rated Boilermakers came from behind at the last moment to win, and a week later, Chanute Field's fencers took the Illini into camp by the same score. In the next meet, however, the Illini swamped the University of Kentucky, 17-1, and a week later held the count to 10-7 in a stubborn fight against a favored St. Louis Fencers' Club team that resulted in a moral victory for Coach Craig's men.

The Illini went on to swamp Washington University, 12-5, to eke out a 9-8 win over a tough Wisconsin squad in

a hard, seesaw battle, and finally to upset Northwestern, 15-12, as Hal Weingartner and Ralph Wilmot flashed unexpected strength in the saber division. In the last dual meet, the Illini bowed to a superb Chicago team, 12-6.

In the conference meet the Illini came in a close second behind the Maroons for the second consecutive year, the Illini winning $18\frac{1}{2}$, and the Chicagoans 23, out of a possible 30. In this meet Captain Bob Sternfeld swept his epee matches to win the individual championship in this division and avenge earlier defeats in dual meets. In the foils division, the Illini also showed unusual strength, Hy Handelman and Max Gelman taking second and third places respectively.

FREDERICK W. WRIGHT
Captain

Varsity Polo

Illinois' hard-fighting polo team recovered from early-season setbacks in time to forge to the front and earn the mythical All-Mid-western Collegiate Polo championship, in their most successful season in years. The growing popularity of this sport at Illinois manifested itself in greater attendance at the matches than ever before.

The Illini were forced by inclement weather to forego regular practice during the beginning of the season, and lost to Missouri at Columbia, 10-6, and to Fort Sheridan at Fort Sheridan, 8-6, before a change in the weather made regular practice possible. After this, the Illini came forward with a rush, beating Ohio State and Iowa State by large margins. The last and crucial game of the season, a return

game with Missouri, found the Illini slight favorites to win. After rushing ahead to an early lead, the Illini saw a determined Missouri team rally in the third and fourth chukkers to take the lead. The Illini, however, regained control of things, and, with less than a minute to play, Frank Schaefer made the winning tally on a penalty shot, to give the Illini a 6-5 victory and undisputed claim on the mythical Mid-western Intercollegiate Polo championship.

Most of the credit for this fine showing should be given to the three senior regulars, Captain Fred Wright, Gene Bauer, and Bob Johnson, and the promising sophomore, Frank Schaefer, while trustworthy replacements were always at hand in Sterling Blackstone and Wallace Burroughs.

Varsity Golf

A well-balanced Illinois golf team entered upon its 1937 season with a non-conference meet against Illinois College, defending co-champions of the Little Nineteen. The Illini went into this meet favored to win, and triumphed by the impressive score of 15 to 0.

The opening conference meet, against Indiana, was an easy Illinois triumph, 11½-6½, Captain Wil Kokes turning in a 68 and a 70 for the two rounds. The Illini again turned on the heat to win a meet from Purdue, 10½-7½.

The over-confident Illini were obliged to bow to Northwestern, eventual conference champions, by a score of 13-8. The slump continued as the Illini dropped a meet to the strong Michigan outfit, yet the 18-6 score scarcely reflects the actual closeness of the fight. Bad breaks held the Illini

two-somes scoreless, although they actually carded lower scores than their opponents.

Illini hopes for a comeback were dashed as Wil Kokes was kept on the sidelines, due to illness, during the Iowa meet, which the Utley men lost, 12½-5½.

The Orange and Blue snapped out of it in fine shape, however, in the conference meet, to come home a close third behind Northwestern and Michigan, with a team score of 1271, Kokes and Hobart placing fifth and sixth respectively. Kokes, moreover, was individual medalist of the meet, turning in a 72.

In a non-conference post-season meet with a dark horse Notre Dame team, the Illini came out with a 13½-13½ tie after fine play on the part of Ralph Carlson and Al Billings in the closing matches offset an early Notre Dame lead.

Varsity Tennis

Coach Caspar Nannes' Illinois netmen faced their 1937 schedule with only one letterman available, Captain Bill Rich, and a small group of green, untried sophomores. After losing two dual meets by top-heavy 6-0 and 5-0 scores to Wisconsin and Iowa respectively, the Illini faced the powerful Chicago netmen, who eventually won the Big Ten championship, and were defeated, 9-0.

A recurrent illness kept Captain Rich out of the Michigan meet, and killed all hopes for an Illinois comeback, but after this 6-0 loss, the Illini overcame the effects of their slow start, and took Purdue into camp, 5-2, Bill Rich starring in a Frank Merriwell comeback to win his singles match and pace the team to a very satisfactory victory.

As the ailing Rich returned to the bench, however, the

unhappy sophomores were badly beaten, 8-0, by Northwestern, and then dropped a stubbornly contested meet to Minnesota, after Ed Yeaton had forced his man to a 19-17 set before dropping the match. Ohio was next to meet the hapless Illini and came out victorious to the tune of 7-0, but on the next day the Orange and Blue staged a repeat victory over the Boilermakers, 4-3. In the last meet of the season, the Illinois netmen dropped a hard-fought battle to Indiana by a 5-2 score.

Though the season as a whole was unsatisfactory due to the lack of experienced men and the frequent absence of Bill Rich, the squad showed considerable promise toward the end of the season, and, unbroken by graduation, forms a nucleus for a strong 1938 squad.

HARTLEY D. PRICE
Director

During the year 1937-38, under the direction of Hartley Price, a substantial increase was shown in the number of groups participating in Intramural Sports.

The Intramural program embodies twenty sports among which are baseball, basketball, softball, table tennis, tennis, wrestling, volleyball, and water polo. It is the hope of the Intramural department that every male student in the University will compete in one or more of the recreational activities conducted by the department.

Fraternity and independent men participated together in individual sports. In the group or team sports two separate divisions were made, one for fraternity men and one for independent men. The fraternities were again more active in the program since the independents failed to take advantage of the opportunity of equal participation. The participation point leaders in early March were Theta Xi, Phi Delta Theta, Tau Kappa Epsilon, and Delta Chi.

Increased interest was shown in tennis, table tennis, bowling, and soccer during the current season. Billiards was added to the program this year. The Intramural department again sponsored extra-mural activities and in addition supervised faculty recreation.

Gymkana

The scope of the Gymkana organization was extended to include pageantry at athletic events and to admit talented women to active membership. Frances Douthitt, Sibyl Barbre, Marianne Stephens, and Jacquelyn McCredie were the first to receive recognition. Thus the Gymkana show, ordinarily given in the spring, but omitted in 1937 because of the absence of Hartley D. Price, will become a project for the total student body rather than for a few highly specialized and talented men performers. Henceforth there will be open petitioning for production positions for subsequent shows.

The Gymkana of 1938 was dedicated to varsity captains and intramural champions, following an Intramural Banquet sponsored by the Tribe of Illini.

As usual, numerous local shows and varied programs of exhibitions were given between basketball games. Some of the new activities of this troupe included: synchronization of tumbling with Illini cheers, supervision of card stunts for the cheering section, and participation in the Football Court of Honor. In these activities, Joe Giallombardo, William Golde, and Frances Douthitt were the leaders respectively.

Interscholastics

Oak Park High won its twelfth Interscholastic championship in the forty-third running of the event, on May 15, 1937, scoring in six different events for a total of 18½ points. The runner-up was Maine of Des Plaines, with 12; while the defending champions, York High of Elmhurst, shared third place with Galesburg and Centralia, each having 11 points. In the first event, the 120 yard high hurdles, Oak Park won a first and a third, taking a lead which was never yielded. A new Interscholastic record of 53 feet 21½ inches in the 12 pound shot put was set by George Paskvan of La Grange, while Walter Stroyeck of Decatur ran the 220 yard low hurdles in 22.8 seconds to break another record.

In the evening the Interscholastic Circus was presented, for the first time, in George Huff Gym. This three ring circus featured, among others, Paul Prather, retiring gym captain, who raised his world record in the "muscle grind" from 72 to 78.

The Illinois Union was founded in 1909 for the purpose of promoting spirit and loyalty and to foster all legitimate forms of student activities, especially by the maintenance of a social and recreational center for the Illinois men and women. The Union is active in sponsoring the torch light parades which precede the large football games, and with the cooperation of the Woman's League, handles the programs on the Homecoming, Dads Day, and Mothers Day week ends. The Union also sponsors both the Homecoming Stunt Show and the Minstrel Show.

All male students in the University are entitled to membership in the Union. The responsibility for carrying on the Union functions is centralized in the Union Cabinet which is composed of the President and the eight department heads. Each department head is the director of his committee which is made up of men on the freshman-sophomore council.

The Illinois Union Board of Directors has complete control over the affairs of the Union and is composed of three faculty members, a representative of the Student Alumni Association, the three executive officers of the Union, and one student from each of the major colleges of the University. The main purposes of the Board of Directors are the determination of the general policies of the Union and the election of officers and members of the Junior Cabinet.

Through Joseph F. Wright, Director of Public Information for the University, a guide service has been established that is indicative of the friendly, helpful spirit that pervades the Union. The members of the freshman-sophomore council are trained by Mr. Wright to conduct visitors around the campus and to point out the buildings and various other places of interest and explain their significance.

In spite of defeat at the hands of Michigan by a narrow 7 to 6 margin, the Homecoming festivities on the Illinois campus were extremely successful. The award for the Homecoming decorations for the fraternities was won by Phi Delta Theta. A large magnificent reproduction of Bob Zuppke was standing directly behind two kneeling players who were bowing and worshipping this great football coach on his twenty-fifth anniversary as coach of the Illini football teams. Pi Beta Phi was the winner of the sorority decoration trophy with a picture of an alumnus with a pretty young coed on each arm.

Another of the outstanding functions of the Homecoming weekend was the pep meeting with Red Grange the principal speaker. The Tribe of Illini and the Union sponsored the Homecoming Dance at the Huff Gymnasium, and the Chi Omega's won the trophy for first place in the Annual Stunt Show sponsored by the Illinois Union.

The seventeenth annual Illinois Dads Day Celebration was held November 20 and was attended by more than three thousand Dads from all parts of the country. The Illinois Union and the Woman's League continued the same type of program for the fathers as they had sponsored last year to build up a waning interest in the celebration. The committee sponsored contests and gave prizes to the Dad who travelled the longest distance to attend the festivities and to the Dad who has sent the most children through the University, providing he has a son or daughter enrolled now.

President Willard gave the fathers his welcoming address at the Smith Music Hall after various dinners had been given about the campus. A concert by the Men's Glee Club was also given, and some of the best acts of the Homecoming Stunt Show were presented.

The Young Men's Christian Association is a student-faculty fellowship dedicated to the purpose of making the principles of Jesus' life vital in daily living.

A Freshman Camp, a vocational counselling system, All-University meetings with nationally known speakers, social functions, boys' work, fireside forums, and work which cultivates friendship among foreign students, are a few of the activities designed to accomplish this purpose. Students desiring to help in this campus "Y" group can find a field to their liking in one of these varied activities.

Because of the occupation of temporary quarters during the construction of its new home at Wright and Chalmers streets, many functions were held, through the generosity of the churches and foundations, in other quarters.

This spring, however, the Y.M.C.A moved into its new building. In this new workshop, the organization will have ample space in which to carry on and expand its program of service.

The Agricultural Council, besides being the governing body of the Agriculture students and keeping the interest of the students in the clubs, brings the students in closer contact with each other and with their faculty. The council is organized from the various clubs of the Agriculture school, namely the Field and Furrow Club, Hoof and Horn Club, Dairy Technology Club, Horticulture Club, Dairy Production Club, Agricultural Engineering Club, Agricultural Economics Club, Poultry Club, and the Agricultural Education Club. The president of the Agricultural Club is automatically the president of the Council, and members are representatives of the other previously mentioned clubs. Any member of the Agricultural Club who holds an office in the National Intercollegiate Agriculture Council is also eligible for membership in this organization.

The Student Alumni Association has supplied an important link in the chain of student progress, providing means through which the undergraduate can see his place as a future alumnus of the University in the Illini world.

The counsel given to superior high school students in regard to what the University of Illinois has to offer them in their pursuit of higher education is important, and the Illios and other publications sent to high schools each year as gifts of the Association are also helpful.

The organization is governed by five senior officers and twenty junior directors. Students in these positions are chosen on the basis of their merits in leadership and excellent service. Its projects are financed by the profits derived from social functions

The University of Illinois Alumni Association is a non-profit corporation operating under the laws of the State. This organization, which has been continuously active since 1873, adopted its present constitution in 1913.

Alumni of the University have created and maintained this Association as an organized and directed auxiliary to the University itself. The object of the Association is to encourage and stimulate the continued interest of all former students in the University and in each other, and further, to serve the University in every manner possible.

With its main offices in the Student Center adjoining the Urbana campus, the Association is well located to coordinate its work with student and University activities and to provide a convenient meeting place for visiting alumni.

University Dance Committee

MEMBERS

LLOYD F. OLESON, *Chairman*
MARY J. ADSIT
BARBARA B. BATCHELOR
J. GARTH ELZEA
MARGARET R. KUNZ
ROY M. WILKINS

The University Dance Committee was organized this year for the purpose of supervising all University dances. The committee is composed of the former Student Senate Dance Supervision Committee and the former University Senate Sub-Committee on Social Events. It is one of the most powerful of the University administrative units, and supervises all of the student social affairs. Five of the student members of the committee are elected by the Student Senate, and the sixth is picked by the University Senate.

The chairman of the University Dance Committee, one of the student members, is elected by the Student Senate. In addition to the six student members, the Dance Committee now includes three members of the Student Affairs Committee; C. R. Frederick, clerk of the committee, Professor L. E. Card, and Professor K. B. Lohmann.

Two years ago the committee formulated new rules, which, having gone into effect last year, brought on an immediate improvement in the organization. The rules govern the committee's actions and divide the social functions into two separate groups. One of these groups concerns the

general University functions, while the other group pertains to events sponsored by individual organizations. It was also decided that if a dance made a profit of more than ten percent of the total revenue, twenty-five per cent of the surplus is to be placed in a fund for permanent dance decorations. This year the committee made a contract with one decorator to handle this work for all major dances. This will save each organization about twenty-five per cent of its budget for decorations, and it is hoped that this will continue as a permanent policy, for it should improve the decorations for all future dances.

The committee approves the time and location of all dances held on campus, sanctions the patron lists for all major functions, and has direct authority over any dance committee appointed by class or council officials. At the present time the committee manages the ticket sales, helps in the preparation of budgets, and in various other ways endeavors to insure the success of all University social affairs.

HAROLD S. DAWSON, *Chairman*
 GEORGE E. ALTMANSBERGER
 WILLIAM S. BERCHER
 CHARLES R. FREDERICK
 GOLDEN A. MCCONNELL
 PAUL M. VAN ARSDELL
 C. NUGENT WEDDING

This year the Interfraternity Dance Committee has decreased the number of dances held during the year from five to three. All of the dances this year were formal, and each had a "big name" orchestra furnishing the music. The Interfraternity Dances are considered major campus functions and have proved very popular with the fraternity men and women. The dances were inaugurated during the depression to give the fraternities a more economical dance to supplement the radio dances and low cost parties. However, the dances proved so popular with fraternity men that the council voted to continue them.

The committee is composed of seven members, four being faculty members and three being students. The students chosen for the committee are seniors and are chosen by the outgoing members and the faculty members. The committee plans the dance schedule, selects the orchestras and programs, provides for the decorations, and controls the dances under the supervision of the University Dance Committee. The committee attempts to regulate expenditures so

that there will be no deficit or surplus for the following year. This year the best orchestras possible were secured with decreased expenditures for programs and decorations.

The season's first dance was held on January 7 at the George Huff Gymnasium with Bernie Cummins and his orchestra furnishing the music. This dance, a winter formal, was given in the honor of the fraternity pledges who were nearing the end of their pledgship. Wayne King, the "Waltz King of America," presented his orchestra at the Valentine dance given on Lincoln's birthday. The annual carnival dance which, in the past, ended the series, was not held this year, although carnival decorations and features were incorporated in the dance April 9 in the Ice Skating Rink.

Dean H. S. Dawson, who originated the program upon advice of the Interfraternity council, has been chairman of the Committee of which Dr. P. M. Van Arsdell and Dean C. R. Frederick have been members since its organization.

In 1931 the Student Senate of the University of Illinois was first organized as an outgrowth of the dissatisfaction of the student body with the system of student government in the University. A new constitution was adopted in 1935, changing the membership of 54 to a less unwieldy group of 24. The Student Senate has supervision of all general student affairs and its works in collaboration with the University Senate Committee on Student Affairs regarding regulations and violations of the code. In other words, its main purpose is to promote the welfare of the student body in the best interest of all and to control and administer effectively all matters which properly fall under the jurisdiction of general student self-government.

A Senate sub-committee has been working with the Independent Council in an effort to improve living conditions among the independent students. The building of the University dormitories is the ultimate goal of this sub-committee.

As a brilliant climax to their campus social life, and as a welcome relief from examinations, the class of 1937 danced on the night of Monday, June 7, to the music of Freddie Martin and Bob Crosby in George Huff Gymnasium.

Playing before dancers of a senior class at Illinois was nothing new for Freddie Martin. It was in the summer of 1935 at Illinois that Freddie made his premier appearance as entertainer for a mid-western college dance. As usual, Freddie and his featured soloist, Elmer Feldkamp, more than satisfied the gay throng.

Playing at the north end of the gym, opposite Martin, was the orchestra of Bob Crosby, featuring his smooth Dixie Land swing. Many of the couples were con-

Senior Ball

tent to stand, bewitched by the antics of Ray Baduk, said by many to be the best swing drummer in the country. The vocal effects rendered by the brother of the famous crooner served to complete the picture.

At midnight the grand march began, led by Bill Whyte and Barbara Cutter. The couples passed through the archway in the center of the gym, decorated to resemble a garden. At the conclusion of the promenade, the orchestra poured forth the strains of "Illinois Loyalty" to which the student body readily joined in with the words.

In harmony with the blue and silver decorations of the gym were the blue suede programs with the seal of the University embossed in silver.

Prior to the dance many of the houses held formal dinners, the committee in charge dining at the Park Avenue Tea Room.

This final dance of the year proved to be one of the most popular and best liked; not only was the dance a complete sell-out weeks in advance, but a capacity crowd thronged the balcony of the gym to listen to the music of these two great bands.

Leaving the rather frigid weather prevailing over the countryside, a near capacity crowd of dancers and onlookers thronged into the George Huff Gymnasium on the night of December 10 seeking the warmth of the torrid music of Duke Ellington and his orchestra, playing for the chief social event of the first semester, the Junior Prom. Ellington was forced to play without the services of his well known dancing troupe and also his featured vocalist, Ivy Anderson, who was absented because of illness.

The prom this year not only attracted the formally inclined dancing couples, but for the first time in many years the balcony was completely packed with townspeople and non-dancing students.

HEDWIG SHROYER
Prom Queen

Junior Prom

Shortly after eleven o'clock the orchestra changed from swing tempo to march time and the Grand march began, headed by Howie Russell, and Sam Hall, and their guests, Helen Brown, and Jean Stubbert.

At the close of this colorful display, Hedwig Shroyer was proclaimed queen to reign over the festivity and was escorted down the aisle to her white satin throne placed under an arch and set back several feet in a little alcove. Behind her stood her attendants, Shirley Keller, Vera Britton, Sara Powell, and Margaret Livingstone. Hedwig was presented with a crown of gardenias, a bouquet of roses, and a gold bracelet on which was engraved, "Junior Prom Queen, 1937."

A canopy of black and white streamers hung over the dance floor, one end terminating directly above the throne of the Prom Queen, while a huge microphone and a silhouetted dancing couple formed the background for the bandstand at the other end.

Ellington, leading a band of dusky swingsters, gave the campus a superb mixture of the "sweet and slow" and the "hot and high."

The Class of 1940 presented their first formal social event on the night of Friday, January 14. Don Bestor and his orchestra, playing before a sparkling band-shell, entertained the members of the sophomore class and their guests as they danced in a glittering parade of formal attire.

Shortly before midnight, came the grand march, led by Bob Bard, president of the class, and Henry Moorman, chairman of the Cotillion. At the conclusion of the march, Faith Lucas was proclaimed the most beautiful girl in the Class of '40, and reigned as queen for the remainder of the evening with her court of honor, composed of Bernice Bien, Florence Binyon, Dorothy Crabb, Roberta Zaltsberg, Harriet Fuller, and Rosanna Veach.

MARY A. TARBLE

The social debut of the freshman class was made on January 15, in the form of the annual Freshman Frolic. A capacity crowd danced to the strains of Don Bestor's music in the Gym Annex, in a gay, informal manner. The elaborate, gold-tinted programs featured on their cover a dancing couple silhouetted against a black moon.

Not to be outdone by the other classes, the class of '41 named not one monarch, but two to rule over the dance. The queen, elected by popular vote, was Margaret Crane, and her co-ruler was James Estaver, who was chosen as the most handsome male freshman.

The traditionally gala Frolic, planned and presented this year by the Freshman Council, brought to a close the first semester social season.

As a fitting climax to Dads Day and the Illini's victory over Chicago in their final game of the year, 1100 couples swung to the lilting music of Joe Sanders and his "little duckie-wuckies" on the evening of November 21. The occasion was the Fourth Annual Independent Informal. The "Ole Left Handers" lived up to his reputation as one of the campus's most popular bands and packed the George Huff Gym with gay dancers and on-lookers.

As usual, Jane Kay, attractive songstress of the band, pleased every one, and for this occasion, the band presented as an added attraction Joe's harmonica-playing bell hop.

The highlight of the evening was the Big Apple contest. The great density of the crowd allowed only a limited number of couples to compete, but the dancers flocked around to see them perform.

In the beautiful ballroom of the Urbana-Lincoln Hotel, decorated to represent a Grecian garden, the representatives of the sororities and fraternities in the Pan-Hellenic and Interfraternity Councils, attended the elite social function of the year, the Pan-Hellenic Ball, held on the night of March 19.

Brad Reynolds and his "whispering rhythm," featuring Lob Jarman, pleased the merry couples dancing in the ballroom. The decorations and lighting effects of the room were particularly enhancing and appropriate, blending with the white and green leather programs. The novelty of the orchestra was the lack of percussion instruments and the featuring of such instruments as the oboe and the French horn, which furnished a background to the music that gave it a superb smoothness.

Putting aside the formal atmosphere prevailing at most of the major dances on the campus, the Ag School presented its annual dance, in the Skating Rink on the night of April 29, this year naming it the Corn Cob Cotillion. Weaving among bales of hay in a true agrarian setting, all formality was thrown aside as the seven hundred couples danced to both old-fashioned music and modern swing.

Instead of white tie and tails, the raiment of the dancers consisted of overalls, bandannas, straw hats, and gingham dresses. Near the end of the dance a queen was chosen who, seated high on her royal throne of straw, reigned over the fiesta.

This year the dance more than attained the high standard for informal frolicking set by the many successful Ag Dances of the past.

The Skating Rink, attractively decorated, was the scene of the twentieth annual Mi-Hila Ball, the annual formal dance of the Independents of the campus, on May 7.

The name Mi-Hila has its derivation from the Indian word for "spring festival." This year's dance was truly a spring festival as the couples clad in summer formal attire made merry, dancing to superb music. To climax the festivities of this first spring formal dance, a queen was chosen.

The dance is sponsored by the Independent Council in collaboration with the Woman's Group System, and its purpose is to give Independent students on the campus an opportunity to have a spring formal dance comparable to those of fraternities and sororities.

A new outdoor feature was added to the program of summer entertainment during the Summer Session. As an added attraction to the customary band concerts, the dramatic-minded had their turn of outdoor activity in the production of *Dr. Faustus*, the man who sold his soul to the devil, staged on Illinois Field. Other high lights on the dramatic play bill for the summer were *Midsummer Night's Dream*, *Mr. Dooley, Jr.*, and *Comedy of Errors*.

On the night of July 30, Dick Gasparre and his orchestra entertained nine hundred couples in the Skating Rink, playing for the annual Summer Prom. In the old-fashioned garden atmosphere, Hedwig Shroyer was crowned queen and reigned over this last social function of the Summer Session.

University Dances

Rhythm prevailed on the campus this year as University of Illinois students danced to the best of music, ranging from the waltzes of Wayne King to the red-hot swing of Duke Ellington. However, the most pleasing to the majority on the campus was the music of Hal Kemp who played for the mid-semester Registration Dance.

The dances varied from the ultra-formal class dances and Military Ball to the rollicking extreme of informality as displayed by the Corn Cob Cotillion, otherwise known as the Ag Dance, and the unusual costume dances, such as the Fine Arts Ball.

Co-ed Queens were in vogue this year as they reigned from their thrones varying from straw to satin. Queens were chosen for all four class dances, the Military Ball, the Summer Prom, the Ag Dance, and the Mi-Hila Ball.

The decorations were in keeping with the prevailing spirit of the dances, and were arranged so that the thousands of non-dancing couples thronging the balconies could have an unobstructed view of the dancers and the orchestra.

There are few women who go through the University of Illinois without coming into contact with the Woman's League. This large and influential organization is open for membership to any woman registered in the University. Here women have an opportunity for self-government and for the promotion of campus traditions and spirit.

The activities sponsored by the Woman's League are numerous. Each year the freshman women are advised about campus problems by their "Big Sisters," who carry out the Campus Sister movement sponsored by the Woman's League and the Y.W.C.A. Later in the year, Illini women are busy with various drives, programs, and social teas every Wednesday. Woman's League also unites with the Illinois Union in the management of the Homecoming, Dads Day, and Mothers Day celebrations, and co-operates with all other activities on campus by encouraging its members to have varied activity programs.

In order to promote friendship among its members and to unite women with mutual interests, Woman's League is divided into four parts: Woman's Group System, Gold Feathers, Orange Feathers, and Blue Feathers. Scholarship, friendship, and loyalty are promoted by these groups, and opportunities are presented for bringing out individual ability and developing executive prowess.

With the proceeds from various drives and the annual Woman's League musical comedy, the League supports three co-operative houses, Alpha House, Beta House, and Campbell Cottage. These houses are maintained for independent women who do light housework for part of their room and board.

Woman's League is a fine example of unity which has been brought about among University women by combining both independent and organized women into one prominent campus group.

This year Woman's League divided Orange and Blue Feathers into two separate organizations to encourage more intimate contacts and cooperation.

Orange Feathers meets Tuesday and Blue, Wednesday, separating the freshmen so that sororities are equally distributed while independent women make their own choice of a group.

Their purpose is to unite a decentralized freshman class and acquaint its members with campus traditions and activities. "The Trial of Peg Fairfax" is presented in the fall by activity women to emphasize activity work.

The initiation requirements for Orange and Blue Feathers remain the same although they are now separate organizations. To become a member a freshman must have a 3.00 average, attended two-thirds of the meetings and "The Trial of Peg Fairfax," and participated in one drive during the year. An examination on the traditions and campus leaders is the final factor determining whether a freshman can be initiated.

This group has its share of fun, too, for two parties are held each year in conjunction with Orange Feathers.

Sophomore women are trained for responsible positions on campus in Gold Feathers where they learn dependability, initiative, and forcefulness by serving on committees.

Each woman has requirements to meet before she can become a member: high scholarship, activity work, participation in drives, attendance at meetings, and tea service.

At the meetings, speakers are presented, and discussions and debates are held by the Gold Feathers Debaters. In these ways, Gold Feathers acts as a harmonizing factor among the campus organizations.

Woman's League Activities

Every Wednesday afternoon throughout the year, Woman's League teas are given in the Upper Parlors of the Woman's Building. These teas are attended by large numbers of University women who find them an excellent opportunity to become acquainted with their fellow students and to talk over events of campus life. Sophomore women are required to serve a certain number of hours at these teas each semester to be initiated into Gold Feathers.

Woman's League holds its elections each year in the Spring, usually sometime in March. The candidates are selected through petitions submitted to the executive council, but part of these are eliminated by a primary election which precedes the regular election. The first big event sponsored by Woman's League after the installation of the new officers is the May Festival at which the May Queen is crowned in a ceremony at which she is attended by the graduating members of Mortar Board and the newly elected members of Mortar Board, Torch, and Alpha Lambda Delta.

The General Chairman of Woman's League Show and the chairmen of the committees are chosen by the Woman's League Advisory Board and Executive Council. They consider each girl's petition on the basis of her experience, ability, and previous work in campus activities. The girls who have the highest qualifications for the various positions are appointed chairmen of the committees, and the members are chosen from among the other petitioners.

Any member of Woman's League is eligible to petition for membership on a committee and, with the exception of the freshmen, is also eligible for chairmanships. These committees manage the entire show under the supervision of the General Chairman and the Director.

Follow Thru

On February 25 and 26, the Woman's League presented "Follow Thru" as its annual musical comedy. The play had for its setting a very cleverly depicted golf course. The action starts with a golf tournament in which *Mrs. Van Horn*, a dashing widow played by Isabelle Geithman, defeats Betty Lovegren, as *Laura Moore*, the attractive club champion. *Jerry Downs*, a handsome young golf pro played by Carol Layman, who watched the match, falls in love with *Laura*. *Mrs. Van Horn* does her best to win *Jerry's* affections for herself, but in spite of many misunderstandings *Jerry* and *Laura* are reconciled.

Sarah Schwartz, as *Angie Howard*, and Nat Cohen, as *J. C. Effingham*, furnished the main comic interest capably assisted by Betty Jo Wischart, as Babs, Joe Silverstein, as *Thomas Darcy Moore*, and Bud Heffley, as *Jack Martin*. The dancing chorus and musical numbers, such as "Button Up Your Overcoat," and "I Want To Be Bad," served to make this a most entertaining and lively performance.

The purpose of the Y.W.C.A. is to give women with a similar purpose and intellectual outlook the opportunity to work together. It gives them an opportunity to think through their religious problems and to grow religiously. It is effective in helping them define their social responsibilities and work together in making their ideals, thus acquired, applicable to their lives as well as in all relationships.

Being a member of such an organization, a girl comes to feel that she is part of a world-wide fellowship. The Y.W.C.A. strives to keep in close contact with

The Woman's Athletic Association is one of many similar organizations in colleges and universities throughout the nation, united through the Athletic Federation of College Women. This Federation maintains a central office, purposing to unify ideals and establish standards of athletics for college women.

The W.A.A. has for its purpose the furthering of interest in athletics and the promotion of ideals of wholesome living. To achieve this purpose, membership is open to all women students having participated in one W.A.A. sport season.

One of the main projects of W.A.A. is a loan fund for the benefit of girls majoring in Physical Education.

The highest award given by W.A.A. is the Major I which is earned upon the completion of twelve sport seasons. The Major I's are awarded to the new winners by the president of the Association at the Annual Spring Banquet.

The W.A.A. has divided the school calendar into four major sport seasons. No member can receive more than four sport seasons' credit in a year; and to accomplish this, she must participate in one sport each season. Transfer students may count credits which they have earned during various sport seasons at other colleges and universities; therefore, they are not at a disadvantage in earning points for a Major I. The Association also promotes a twofold program of interclass and interhouse sports. The Major I may be obtained by participating in either, although one girl cannot play on both interhouse and interclass teams in the same sport.

All organized houses are eligible to enter teams in the tournaments each season, the only restriction being that each team must complete the required number of practices. The team sports for inter-organization play, listed in order

of the season offered, are swimming, basketball, volleyball, and baseball, each tournament occupying one sport season. The various teams participating in the tournaments receive points; and at the end of the year, the house having the greatest total number of points becomes the temporary possessor of the large W.A.A. cup, which has been introduced this year to take the place of the W.A.A. plaque of previous years. Interhouse sports are closely contested, and the girls strive eagerly to earn the greatest number of possible points for their houses. Bethany Circle got an early start toward earning the cup this year by winning the swimming tournament during the first sport season. However, Alpha Delta Pi and Busey Hall tied for the championship of the basketball tournament during the second season to challenge the lead of Bethany Circle.

Individual sports, such as badminton, archery, tennis, golf, and handball are offered by W.A.A. in addition to its regular program of team competition. By participating in one of these sports, any girl has the opportunity to earn a Major I.

W.A.A. divides the school year into four sport seasons offering seasonal sports. In the fall hockey, swimming, tennis, and golf are played. The winter months are divided into two seasons, taken up with volleyball, basketball, ping-pong, tenniquoit, and fencing. The spring season offers tennis, baseball, golf, archery, and riding.

Interclass games and individual matches are also a part of each sport season. These matches stir up keen rivalry, and thus further the physical well-being and good sportsmanship of the participants.

W.A.A. awards credit in a sport season on the basis of attendance and participation in tournaments which are held

at the end of each sport season. In order for a girl to receive her class numerals, she must have received credit for six sport seasons. She can obtain credit in only one sport a season; therefore, her required six seasons of sports can be earned in a minimum time of one and one-half years. Transfer students may count sport seasons which they have earned at other colleges and universities; therefore, they are not at a disadvantage when they come in as a sophomore, junior, or senior.

At the end of each sport season, a tea is given at which time the president of the W.A.A. awards the orange chenille class numerals to the new winners.

Doll Show

"Songs and Dances Around the World" were portrayed in miniature at the thirty-second annual Y.W.C.A. Doll Show, directed by Ruth Buchholz. In addition to the regular features, there was an exhibit of the dolls of past generations, one of these being approximately ninety years old.

Alpha Xi Delta, with "The African Medicine Man," placed first in the sorority competition, while Kappa Alpha Theta's "Mexican Hat Dance" scene was awarded second. Among the independent houses and groups, McKinley Hall won first with a scene portraying the "Polka," and Warner Hall had "Shores of Waikiki" for second.

In the individual doll contest, Marjory Bell took first place among the students, while the winner in the adult competition was Mrs. R. A. Given.

After the show, all of these dolls in their colorful costumes were sent to the Association House in Chicago and distributed as Christmas presents to needy children.

W. A. A. Activities

Every year W.A.A. provides a varied sports program for the women of the University. Shortly after registration in the fall, W.A.A. sponsors Sans Souci, a reception for freshmen. Orchesis, a national honorary interpretative dancing organization, presents a program on Mothers Day.

The Riding Club, under the direction of Miss Jane Lawyer of the Physical Education Department, was active throughout the entire year. Besides the sports which the organization has always sponsored—golf, ice skating, tennis, archery, and various team sports—W.A.A. initiated its first class in women's fencing this year. Under Miss Lawyer's guidance, the class learned the fundamentals of the sport from members of the varsity fencing team. The Telegraphic Swimming Meet, Orchesis, badminton, ping-pong, and many other activities gave the University woman opportunity to participate in the sport which she enjoyed the most.

JOHN C. O'BYRNE

The publications of the University of Illinois are controlled by the Illini Board of Control consisting of four students elected by the student body and four faculty members appointed by the president. This system has been in operation since 1911 and has proved so efficient that numerous universities and colleges throughout the country have adopted it in

order to solve some of their publication problems.

The Illini Board of Control appoints the student heads of the publications and determines the general policies of the Illini Publishing Company. The publication heads are elected by the board after each candidate has been interviewed to determine which applicants are best qualified for the duties involved.

DONALD S. HOEBEL
Company Manager

The Illini Publishing Company

The Illini Publishing Company, a non-profit corporation, was chartered by the State of Illinois May 11, 1911, for the purpose of publishing and supervising all student publications on this campus.

The organization controls The Daily Illini, a student daily newspaper with full Associated Press leased wire service, The Illio, one of the outstanding University annuals, The Siren, The Technograph, and the Illinois Agriculturist. Administered by an expert professional staff and supervised by a student and faculty board, the organization has developed into one of the leading college publishing companies.

The company has maintained a firm foundation under the supervision of a professional business man-

ager who advises the various student editors and business managers. The rapid growth of the company is evidenced by the present size of the physical plant which in the past twenty-five years has grown until it now owns equipment of considerable value. Through the combination of all the publications into one organization the company has in turn made a strong influential unit of each publication. The high credit standing maintained by the publishing company by its efficient management has also helped to advance the publications on the campus to higher levels. The service which this organization has performed is of inestimable value to the students of the University.

In 1917 the Star Course was organized as an advisory board to all dramatic functions. In 1931 the University Concert and Entertainment Board took over the functions of the former Star Course, supervising all concerts and public entertainments given in University buildings by professional artists and organizations.

The organization is composed of a chairman and four other faculty members selected by the Council of Administration cooperating with four students who serve for a period of two years.

This organization selects the programs and the student managers for the regular Star Course series. Its work in bringing famous artists to the campus at reasonable prices is of definite cultural value to the faculty and student body.

Star Course

Star Course concluded another successful season as the final curtain fell at the end of the Nino Martini concert. Presenting a varied retinue of artists including a Mexican Orchestra, a world-famous ballet, a piano duet, one of the greatest of symphonies, the greatest cellist of the day, and a world renown tenor, the Course was in keeping with its high cultural standards. Every performance was sincerely enjoyed by the patrons as they watched the finest available artists perform in their respective fields.

Opening the concert season October 25 with an interesting, varied performance, Mercado's Tipica Orchestra presented a different type of concert. The skillful arrangements of Mexican music and songs both amused and entertained the audience. November 18, the world renowned Jooss Ballet skillfully displayed their talents in a program so vividly portrayed and of such current interest that it was banned in various countries.

Star Course

Playing with the "skill of one and the imagination of two," Bartlett and Robertson, famed pianist duet, presented a program on December 7, that could best be described by the hearty approval of the audience.

Under the expert direction of the handsome Vladimir Golschmann, the St. Louis Symphony presented both classical and modern works in the concert held February 14. Responding to the unanimous call of the audience, the Symphony rendered a new touch to some of the old classics.

With great technical skill and a living interpretation of some of the world's greatest music, Gregor Piatigorsky, finest cellist of this day, won the voiced approval of the concert goers. March 14, Nino Martini, leading lyric tenor of the Metropolitan Opera Company, and star of stage, screen, and radio, united his excellent voice with his compelling personality to enthrall his audience and set a high mark with which to finish the concert season.

Liliom

The cast and crew of "Liliom," Theatre Guild's presentation March 12 and 13, took Ferenc Molnar's sordid, fantastic love story and by their sympathetic interpretation of the unhappy characters and by superior staging elevated it to the heights of a great student production.

The story is one of an unemployed barker who committed suicide when an attempted hold-up failed, and of his subsequent appearance in the Heavenly court. Herb Carson, playing the role of the *Sparrow*, an individual crooked in both morals and body, approached professionalism. His manner created an atmosphere of suspicion throughout the drama. Don Bishop played the title role, a difficult part, requiring rapid changes from a spirit of braggadocio to one of self-defeat. Rachel Collins, in the role of the gentle *Julie*, Liliom's wife, aptly portrayed the simple soul who loved her husband so deeply she did not feel his beatings. Comic relief furnished by another pair of lovers, *Marie*, Jo Ellen Stevens, and *Wolf*, LeRoy Hayman, was in direct contrast to the tempestuous romance of the principals.

Ruddigore

Gilbert and Sullivan's production, "Ruddigore," as interpreted by Arepo on April 9 and 10, proved a glorious success.

Grover Shipton, as the swash-buckling *Richard Dauntless*, was splendid, combining a pleasing baritone voice with a rare gift of comedy, which boosted him to a starring position. Also deserving of commendation was Loramae Wiese for her charming portrayal of *Rose Maybud*, the village belle, who faithfully followed the precepts of an etiquette book in her daily life and won the heart of every man she met. Mrs. Doris Crewe Foote, as the foolish *Mad Margaret* who is reformed into a district visitor of the utmost propriety, took a difficult part requiring constant changes from insanity to slap stick comedy. Opposite her was Klusman Parks, whose enthusiasm and stage presence was beyond reproach. The unusually fine chorus added the finishing touches to the already superb production.

The Admirable Crichton

On the evenings of April 30, May 1, 7, and 8, the cast of "The Admirable Crichton" presented the four fast-moving acts in a very convincing manner, rising to great heights and turning out a very remarkable piece of dramatic work.

Judith Hickey, playing the part of *Lady Mary*, was superb as an affected English aristocrat, always conscious of her social position. Darwin Kirby and Grover Shipton were excellent in their respective roles of *Ernest Wooley* and the *Earl of Loam*. The story deals with the plight of a ship-wrecked yachting party marooned on a desert island, paying homage to the butler, *Crichton*, played by Richard Parshall.

The crowning achievement was the desert island scene used in the second and third acts. The sand, which completely covered the stage floor, and the tall palm trees along with the cyclorama background created the island paradise often pictured in popular songs.

Boy Meets Girl—Spring Formal

"Boy Meets Girl," a recent Broadway success, was warmly received by the audiences at its three performances, October 22, 29, and 30. The plot of the play is concerned with a temperamental Hollywood movie director and his dealings with an erratic pair of story writers who tried to capitalize on the motion picture fame of *Happy*, a child prodigy of illegitimate birth. Bill Wright, as the *director*, and Bob Rockwell and Kermit Rolland, as *Benson* and *Law*, were outstanding.

On November 19 and 20, the guild presented the comedy, "Spring Formal" to an enthusiastic audience of theater-goers. The action of the play takes place in the sorority house of a New England girls' school and deals with the love affairs of several of the girls and young gentlemen who have come down for the spring formal. Throughout the big week-end, the girls display their bag of tricks and finally manage to convince a very indifferent young man that he ought to marry one of their "sisters."

La Boheme

Arepo's presentation of Puccini's famous "La Boheme" was enacted on this campus December 11, 17, and 18, under the auspices of the Illini Theatre Guild.

"La Boheme" concerns the student life in the Latin quarter of Paris one hundred years ago; the love of *Rudolfo*, the poet, for *Mimi*, his neighbor who embroiders flowers; and the love of *Marcello*, the painter, for Musetta. Margaret Sproat, as *Mimi*, and Edwin Platte, as *Rudolfo*, displayed extremely fine stage presence and beautiful tonal control in the many famous arias and duets they shared as leading characters. Rivaling the leads were *Musetta*, the irresistible flirt, played with dash and vigor by Edith Wood, and her jealous painter lover, Robert Reeves. Ross Hendricks, the wealthy older-man victim of the bold *Musetta*, struck a responsive note in the audience and added greatly to the colorful scenes. The excellent choruses and the 30-piece orchestra under the direction of Walter Roosa gave an admirable interpretation of Puccini's magnificent music.

Union Minstrel Show

On January 21 and 22, the Illinois Union presented its 1938 version of the annual Union Minstrel Show. Riotous Al Grossarth and Jim Lantz, with the two other end-men Bill Hartman and Bill Gerler, roasted both great and humble over a wide open fire.

Fast moving, vivacious little Sarah Schwartz held a prominent spot in the show, while Betty Lovegren, singing the popular "My Bill," made an impressive debut into campus musicals.

Maurice Edgar and Stu Morrison, as *Drip* and *Dribble*, chased crazily up and down the aisles and across the stage in typical Harpo-Groucho Marx style. *Sammie and Susie-Q*, in the persons of Milt Levin and Herb Fisher presented a dazzling exhibition of ultra-modern dancing. Dressed in an insane red and white printed kiddie frock, with his hair up in pigtails, Fisher led Levin through two demonstrations of the "Jeep" much to the delight of the audience.

Post Road

"Post Road," presented in Lincoln Hall Theatre on January 14 and 15, was acclaimed as the best show of the year by an enthusiastic audience. The entire play was given in the same stage setting, that of *Emily Madison's* home for tourists located on New England's highway of ill-fame, the old Post Road. The visitors ranged from an apparently harmless old minister, to public enemies number one, two, three, and four, the instigators of the most daring kidnap plots of the century. The battle of wits between *Miss Madison*, the shrewd old maid, and the ring of murderers kept the audience breathless. The climax was reached when *Miss Madison's* cleverly constructed trap enmeshed the minister as well as the desperate gang.

Great tribute must be paid to Mary-Bain Lehmann, who played *Emily Madison*. *The Reverend Wesley Cartwright*, with Asa Greathouse beneath the sanctimonious haircut and wringing hands, was played so well that the audience was taken by complete surprise when he turned out to be one of the kidnapers.

The Drunkard

Everybody had a good time at Pierrots' annual all-male production, "The Drunkard," presented on March 11 and 12. This play was an old-fashioned melodrama, typical of the 1840's.

Angus Thuermer, making his debut as a villain was so superbly "bad" that he drew a volley of vegetables, pennies, and hisses upon every entrance. Dave Turnbull, holding forth as the valiant *Billy Downton*, might have fitted into the perfect tin type. He took his nineteenth century role with the "modesty" of a lad of 1843, and he was just as stiff as convention of that day demanded. Ralph Rohlfing made a glamorous husband for the sweet and devout *Mary Wilson* in the person of Dan Kane. The Can Can Chorus, with its daring routine, caused a minor sensation.

"The Drunkard" was Pierrots' first departure from their customary musical show, and judging by the acclaim of the audience, it proved a complete success.

Places in the University Bands are determined by examinations, and service in them takes the place of the required military drill and tactics. The Concert Band members, composed of selected musicians, are eligible for scholarships after the military requirements have been fulfilled.

The First and Second Regimental Bands play for the military ceremonies, athletic events, and similar occasions, performing a certain amount of concert music. From these

two bands, as well as the Concert Band, are chosen the 180 men who compose the famed "marching and singing" football band.

In addition to its public concerts and the radio broadcasts Monday afternoon over WILL, the band is also of public service in fostering the band clinics and extending "symphonic" band literature.

MILITARY

University Brigade

The University of Illinois Military Brigade began its seventieth year at the beginning of the fall school term. The Brigade has grown from a small group of students to one of the largest and finest Reserve Officers' Training Corps in the United States.

The land on which the campus is now situated was accepted by the State in 1867 in a provision of the Morrill Land Grant Act, and, in return for the land, the University was required to add Military Training to its curriculum.

In 1868 the first brigade was organized. It was composed of all men then enrolled in the University, a total of seventy-five. At the present time the Reserve Officers' Training Corps of the University has reached an all time high. It is composed of six individual units, the Field Artillery, Cavalry, Infantry, Coast Artillery, Engineers, and Signal Corps, has an enrollment of 4323 students, and has a faculty of twenty-six officers of the regular army and forty-two enlisted men.

University Brigade

Each student entering the University is required to take the basic military course, unless rejected because of age or some physical handicap. The advanced corps is open to those men who have done sufficiently well in the basic corps to merit being chosen for advanced training. These advanced students are also given the opportunity of attending one of the summer Reserve Officers' Training Corps camps where they receive practical military training which cannot be obtained at the University.

The advantage of this military training to the Nation, the University, and to the student is obvious. It is of advantage to the Nation and to the State, as it prepares men in the knowledge of military affairs; it is an advantage to the University, in that it trains men in discipline and in obedience; and the student himself prospers from the military training, in the development of his character and his leadership ability.

HAROLD E. GOFKE

CADET MAJ. GILBERT F. CAMPBELL.....Brigade Staff
CADET MAJ. EDWARD D. GRIMES.....Brigade Staff
CADET MAJ. THOMAS B. KIRKPATRICK.....Brigade Staff

It is the chief duty of the men in the Cadet Staff of the University of Illinois Officers Training Corps to execute all military orders given out by the department. The officers of this Staff are in complete command of the retreat ceremonies which are held weekly in the Armory. The senior officer of the Brigade Staff acts as Executive Officer.

The Cadet Staff at the University of Illinois is composed of the Student Colonel of the Brigade, representing his own unit, a Major from each of the other five units, and the seven Lieutenant Colonels.

The Brigade Staff is made up of the Majors of the Cadet Staff together with the Cadet Colonel. The Cadet Colonel is in command of the Brigade. The Adjutant of the staff is required to issue all orders for clerical work, while the other officers of the staff are all given special duties which must be carried out by them.

The efficiency of the entire brigade is dependent upon the harmonious functioning of this staff, and clearly shows the talents of the officers on the staff.

The R.O.T.C. in our high schools and colleges, throughout the land, provides the principal peace time military training of our citizens, other than that provided by our small Regular Army and National Guard, and is our main source of officer personnel for a citizen army which must be created, equipped, and trained after the need therefore has arisen.

Our R.O.T.C. Brigade is the largest and most representative organization in the University, as it includes a male cross-section of each College and School. The high standard

of scholarship, personal appearance and deportment maintained in the Brigade is the subject of frequent favorable comment, and is best exemplified on our Annual Military Day in May, when the entire Brigade is reviewed by thousands of proud spectators and distinguished guests.

More than 200 young reserve officers, selected from among the best qualified students in the University, are commissioned annually. They return to their homes, prepared to perform the highest duties of citizenship, whether in peace or in defense of homes, State and Nation.

The Military Council of the University of Illinois was founded in 1929 and since that time has gained a prominent position at the University. It is the student governing body of the R.O.T.C. Department, and its chief function is to serve as a link between the students of the R.O.T.C. and the regular army staff. The work of the council along these lines has strengthened the R.O.T.C. in both Military and University activities.

The members of the organization are the Student Colonel, the Lieut. Colonel of each unit, the Brigade Staff, and a representative of each of the military groups. There is also a representative chosen from the officers on duty at the University who serves as advisor to the council.

The student's viewpoint is considered in the determination of the policies for the R.O.T.C. by the Commandant of the University who keeps in close contact with the personnel of the Brigade through the Council.

The council has various other functions besides acting as the governing body. These include the supervision of the Military Ball, the Officer's Ball, the annual Military Show, the University Horse Shows, and dances given by other organizations in the Military department. The Military Council also gives awards and medals to outstanding students of the brigade. Another activity of the Military Council is the publication of the *Millini*, official program issued for Military Day. This program contains a complete

list of events of the military department with articles pertaining to the various organizations.

The profits received from the dances of the military department are turned over to the Military Special Unit Fund for administration by the University Commandant. The fund is used by the Commandant to make improvements and to purchase equipment which is not provided for in the regular grants of the Federal and State governments.

Doherty Wright Gasaway Grimes Dalrymple Adams Sterba Zimmerman Thompson Col. Brown Renne

GEORGE SIERBA, JR. ROY W. TAYLOR
Lt. Colonel Lt. Colonel

Field Artillery

The Field Artillery, largest unit of the brigade, was established in 1919, then a single regiment of eighteen men. It has increased steadily until now it has two complete regiments with a combined enrollment of 1336 students. Each regiment has its own Lieutenant Colonel and staff officers. The basic course is used to teach the students the fundamentals of drill and also the working principles of the 75mm guns. Second year men are given the choice of enrolling in either the horse-drawn or the motorized artillery. Students of the horse-drawn battalions are taught the principles of riding and of saddling the horse for field artillery drill. Those of the motorized battalions are given instruction in the operation of various engines.

In the summer course at Camp McCoy, Wisconsin, technique in military administration is taught to the advanced students. The purpose of this camp is to prepare the advanced student for the duties of a second lieutenant. He learns to perform the duties by serving in all offices, from private to battery commander. Service practice, mounted work, and actual field exercises supplement the theory taught in the University.

JOSEPH W. ZIMMERMANN
Lt. Colonel

Coast Artillery

The great strides made in aviation in the last few years have given new duties to the Coast Artillery. The Coast Artillery now handles the anti-aircraft guns in addition to the large coast and field guns.

The basic students learn the theoretical operation of the large guns in addition to the basic principles of citizenship and military discipline. The advanced students are required to teach the freshmen and sophomores the firing of the large anti-aircraft guns. Other advanced training includes instruction in military fundamentals, scouting, patrolling, map reading, and drill.

Coast Artillery summer camp is located at Fort Sheridan in the midst of the North Shore District. While at camp the men are given the opportunity of actually firing these large coast artillery guns, the anti-aircraft guns, and pistols and rifles. The camp is one of the most enjoyable parts of the training, for the men are instructed in the duties of all officers of the battery and at the completion of the course are prepared for the rank of Second Lieutenant in the organized reserves.

DEXTER R. BARRETT
Lt. Colonel

Cavalry

The basic cavalry course is one of the most popular of the units offered in the University R.O.T.C. In this unit the students devote most of their time to learning the technique of riding, marksmanship, and the care of horses. These students are also taught to jump, and those that show exceptional ability are taught to play polo.

The work in the advanced cavalry course gives the students a more intensive instruction in riding and rifle workmanship as well as training in the care of horses. It also gives the officer a chance to prove his leadership ability in either military or civilian endeavor. This advanced course concentrates on the fundamentals already studied and helps to qualify students for the position of Second Lieutenant in the Officers Reserve Corps.

The advanced cavalry summer instruction, given at Camp Custer, Michigan, includes riding, drilling, and further instruction in the care and keeping of the horses and in the use of the cavalry weapons. While at camp the men entertain themselves by playing polo or participating in other activities.

CHARLES E. WRIGHT
Lt. Colonel

Engineer Corps

The Engineer Corps is restricted to the students of the College of Engineering. The basic students are given training in organizing teams of men for the construction or demolition of structures of all kinds. They are also given training in drill with rifles and are taught the fundamentals of map reading, citizenship, and military discipline.

The theory of construction and destruction is particularly stressed in advanced course. Because of lack of space, time, and adequate equipment, the amount of work that can be done at the University is limited, and the students of the advanced corps are given their most valuable training while at Camp Custer, Michigan. These engineering students obtain a practical experience to supplement their formal education which they obtain at the University. While at camp these men work on actual construction of bridges, dams, and other building projects.

MILES S. DUWY
Lt. Colonel

Infantry

The student in the basic Infantry Course is trained in the fundamentals of map reading, use of weapons in combat warfare, and in the principles of leadership. Thorough instruction in drilling and in the use of the rifle is also included in the two year course, students who have been in the basic course being permitted to enroll in the advanced corps. Active practice in leadership and command is emphasized in the advanced course along with more extensive training in the fields already mentioned.

An important six week training period is offered in the summer at Camp Custer, Battle Creek, Michigan. Here the students from the University of Illinois, Wisconsin, Michigan, Michigan State, and Knox and Ripon Colleges, gain experience in the firing of all weapons used by the Infantry. A practice march with an overnight bivouac and a night attack problem is given during the camp season. The students are drilled in the regulations governing parade formations, and organize and participate in two parades each week while in camp.

DANIEL K. CHINTUND
Lt. Colonel

Signal Corps

The Signal Corps consists, in the most part, of students in the electrical engineering school. The primary purpose of the Signal Corps is to instruct students in assembling communication lines. This training is developed by dividing the Corps in two courses, the basic and the advanced. The freshmen and sophomore instruction, which comprises the basic course, consists of instruction in military discipline, courtesy, and customs of service, citizenship, map reading, and elementary radio and wire communication.

The Advanced Signal Corps students are given a much more technical experience in communication work than that which is given to the basic students. After this training, the men are qualified to instruct civilians in the duties of private, corporal, and sergeant in the Signal Corps Unit.

Student officers of the Signal Corps are sent to Fort Sheridan, along with the student officers from the Universities of Michigan, Wisconsin, Minnesota, and Ohio State. While at camp these men are given practical problems in communication work.

HAROLD E. GOEKE

Military Ball

COMMITTEE

DENTER R. BARRETT	HAROLD E. GOEKE.....Chairman		
WALLACE M. BURROUGHS	GILBERT F. CAMPBELL	MILES S. DUWE	ROY W. TAYLOR
	DANIEL K. CHINLUND	ALBERT V. SAPORA	CHARLES E. WRIGHT
	JOSEPH W. ZIMMERMAN		

The major social event of the military year, the annual Military Ball, took place April 16, 1937, in the George Huff Gymnasium, where one thousand couples danced to the music of Ted Weems and his orchestra.

Admission was limited to military cadets and a few other students who petitioned for the permission to attend. Tickets were sold out ten days preceding the ball. The dance was sponsored by the Military Council with Cadet Colonel Paul W. Neidhardt acting as chairman.

Colorful decorations, uniforms, and formal clothes set the atmosphere for the affair. The gymnasium was decorated in fitting military fashion. A large golden eagle was perched atop the band stand which was draped with red, white, and blue streamers and American flags. The balcony was hung with R.O.T.C. shields and the flags of various countries, and the lights were decorated with red, white, and blue bunting. Red, yellow, and green spot lights focused on the dancers in their formal attire added

Sapora Taylor Wright Dewey Chinlund Zimmerman Goeke Campbell Burroughs Barrett

COL. FRED R. BROWN
Commandant

Military Ball

to the color of the event. Sections of the gymnasium were marked off by unit insignias to designate the places where the cadets of various units were to assemble between dances, and one pound cannons and rifle stacks were stationed in the four corners. American flags set in standards were placed at various points around the floor.

The north end of the room was reserved for chaperones, and guidon flags and American flags were placed around this section to mark it off. Two officers of the basic course were posted there as guards.

The cadets were dressed in their full military uniforms and the colorful spring formals of the girls were in gay contrast to the khaki-colored uniforms of the cadet officers and the stern military decorations.

The balconies were filled with listeners who came to

hear Ted Weems' band and his featured vocalist, Elmo Tanner. At various intervals during the dance, novelty numbers were presented by members of the orchestra.

The climax of the ball was reached at eleven o'clock when hundreds of uniformed officers and their guests formed ranks for the grand march. They were led by Paul W. Neidhardt, Cadet Colonel, and Miss Phyllis Burns.

The programs of gold metal bound by leather thongs were ornamented with a black silhouette of an officer's cap with a miniature couple dancing atop it in the foreground and a scabbard in the background.

The committee for the Military Ball of 1938 consists of Cadet Colonel Harold E. Goeke, the seven Lieutenant Colonels, and two of the Majors.

Scabbard and Blade is a national military honorary organization composed of chosen officers from all of the six army divisions represented at Illinois. The organization was founded in 1904 at the University of Wisconsin. The present society is composed of eighty-four companies and has an enlistment of more than twenty-six thousand men. The University of Illinois Company F, First Regiment was organized in 1909.

The chief purpose of Scabbard and Blade is to raise the

standard of military training in the Colleges and Universities throughout the United States. It does this by promoting friendship among the cadet officers.

Scabbard and Blade also brings about a closer relationship between the regular army staff and the cadet officers. The officers of the regular army staff are given the opportunity of teaching the student officers the essential qualities of the good and efficient officer through the contacts obtained in Scabbard and Blade.

The Officers' Ball, the only exclusive military dance of the year, was held in the Women's Building on December 18, 1937. As is customary, its attendance was restricted to advanced course R.O.T.C. students, faculty officers, reserve officers, and other military officials. Full military uniforms were required to be worn by all individuals attending. Army men were the only group given complimentary tickets with the single exception of President A. C. Willard. The Military Council, with Wallace M. Burroughs acting as chairman, supervised planning the Ball, which was one of the most successful in many years.

The Women's Building was decorated with company flags and guidons, thus creating an impressive military atmosphere. One-pound guns and other equipment from the Armory were placed in the corners, and rifle stacks were placed about the room.

The music for the Ball was furnished by the popular Eddy Mack and his Orchestra from Danville who has played for many house dances here on the campus. Cadet Major M. V. Adams was in charge of the music and arrangements. Throughout the evening the dancers were entertained by several novelty numbers and the playing of University songs.

M. I. D. A.

The Men's Independent District Association is an outgrowth of the old Independent Council, created to give independent men a "New Deal." In a year, M. I. D. A. has grown to an organization with a council of 125, sponsoring such diverse activities as its own weekly newspaper and a dating bureau.

Among M. I. D. A.'s goals are improved men's housing at reduced cost, low-cost eating, a non-profit book exchange, and enriched independent social life. The housing campaign, now in its second year, has moved the University to approve a grading system for men's houses. This year campaigns were begun for the book exchange and low-cost eating facilities.

On the social side, M. I. D. A. sponsors numerous mixers, and three major dances. This year saw the establishment of a very successful dating bureau.

Numerous special services for the benefit of independents are conducted by M. I. D. A. Among them are Dads Day and Mothers Day banquets, a men's room directory for new students, fire insurance for students' personal property, a free dancing school, and all-university examination file, and a Homecoming decorations competition.

The Woman's Group System is an organization which includes all University women who have not chosen to live in the residence halls or affiliate with a sorority. It is an integral part of Woman's League, and the president of the Group System is also Vice-President of Woman's League.

Every unorganized woman is assigned to a group in the fall and invited to become an active member. Some of these have their own houses, while others are made up by geographical districts. The girls retain their independence, even when assigned to groups, for they may transfer or terminate

their membership at any time. Each organization has its own social traditions and activities; every Monday night a business meeting is held, often followed by a social hour. Groups are eligible to participate in the various University competitive activities such as the Y.W.C.A. Doll Show at Christmas, the Stunt Shows, and Homecoming decorations.

Woman's Group System offers a varied program of social events; an inter-group party each month, a hike in the fall, and many athletic events and tournaments. The annual Woman's Group System Sing has become an important cam-

pus tradition. It is sponsored by the Campus Mothers' Club, a body made up of the housemothers of the independent girls, and a cup is offered by the club to the winning group. The annual banquet honoring the senior women of the Woman's Group System is held in the spring, at which time cups are awarded, and the names of the girls who have received honors during the year are read.

The W. G. S. offers a cup to the group having the highest scholastic record each semester. Cups are also given to the highest ranking independent girl in each of the four classes.

The *Independent*, a student publication edited weekly by

a staff of independent students and distributed to all independent groups free of charge, was started this year by M. I. D. A. and W. G. S. Its main purpose is to further independent students by arousing and stimulating their interest in activities.

Two faculty forums a semester were offered this year to the different women's groups. A Spring Informal during the second semester was added to the list of major University social functions. This dance, along with the first semester Independent Informal, and Mi-Hila, the independent spring formal, was sponsored by M. I. D. A. and W. G. S.

**DON'T LET BAD WEATHER
BLIND YOU!**

**Install
Lorraine Lights**

You no longer have to be at the mercy of bad weather when you're driving. Lorraine Fog Lights, mounted in front of your car, do away with the great hazard of low visibility.

The Amber Lens is scientifically designed to cut through heavy fog, rain and snow and show you where you're going.

When you drive into heavy weather at night, you simply turn on your Lorraine Fog Lights, and cut off the conventional headlights. Instantly, two long amber beams reach out to clearly illuminate the road a safe distance ahead.

Lorraine Fog Lights are manufactured by the makers of the World's Finest Driving Lights. They both come in colors to match car bodies and improve the distinctive appearance of any automobile.

Lorraines are quickly and easily installed. See your dealer and write for free booklet on Lorraine Driving Lights and Fog Lights.

LORRAINE FOG LIGHT

The Second Hundred Years—

TO have served the farmers of America for one hundred years in the manufacture and sale of high-quality implements is to have created an obligation extending far into the future. We recognize this obligation and appreciate the privilege of service it affords.

Our pledge, as we pause at the beginning of the second hundred years, is that this obligation will be fulfilled. The confidence of agricultural America, gained by a rigid policy of offering quality equipment at a fair price, is the most cherished possession of the John Deere organization.

John Deere
Moline, Illinois

Quality Farm Equipment Since 1837

To Chemical Engineers:

There will always be "New Frontiers" for chemistry. We hope you will be privileged to play a part in new developments and will specify

Monsanto Chemicals

as basic materials for both new and old processes.

A complete list of our products will be sent upon request.

Monsanto Chemical Company

ILLIO OF 1939

Here's to "Zup"

- An inspiring builder of American man-
hood and sportsmanship, on his 25th an-
niversary as coach at the University of
Illinois.
- From a Chemical firm that's proud of
Illinois and her men.

*Pexheimer
Carlson*

VISIBLE EVIDENCE OF QUALITY

That the King's Guard of Great Britain personifies that empire's defense strength is a fact that cannot be overlooked. Its discipline and color is evidence of efficiency in the organization behind it.

We, of G. R. GRUBB AND COMPANY are justly proud of this 1938 ILLIO. We point to it as evidence of ability in our own organization.

G. R. GRUBB AND COMPANY
Artists and Engravers
CHAMPAIGN, ILLINOIS
